[प. O-12016/3/86-आ० एन जी-डी-4]  
पी. के. राजगोपालन, डैस्ट्र. अधिकारी]

S.O. 353.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Dikhow Junction point to Lakwa C.T.E. in Sibsagar Dist. Assam, Pipeline should be laid by the Oil and Natural Gas Commission.

And whereas it appears that for the purpose of laying such Pipelines, it is necessary to acquire the Right of User in the land described in the schedule annexed hereto;

Now, therefore, in exercise of the powers conferred by sub-section (1) of the section 3 of the Petroleum Pipelines (Acquisition of Right of User in land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Provided that any person interested in the said land may, within 21 days from the date of this notification object to the pipelines under the land to the Competent Authority, viz. Deputy Commissioner, Sibsagar, Assam.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

MINISTRY OF HEALTH AND FAMILY WELFARE

(Department of Health)

New Delhi, the 16th January, 1986

S.O. 364.—Whereas the Central Government in pursuance of clause (a) of sub-section (1) of section 3 of the Indian Medical Council Act, 1956 (102 of 1956) and in consultation with the Government of Andhra Pradesh have nominated

Dr. C. R. R. M. Reddy, Director of Medical Education, Government of Andhra Pradesh to be a member of the Medical Council of India vice Dr. D. Bhaskara Reddy, with effect from the 1st October, 1985;

Now, therefore, in pursuance of the provisions of sub-section (1) of section 3 of the said Act, the Central Government hereby makes the following further amendment in the notification of the late Ministry of Health No. S.O. 138, dated the 9th January, 1960, namely :—

In the said notification, under the heading “Nominated under clause (a) of sub-section (1) of section 3”, for the serial number 7 and the entry relating thereto, the following serial number and entry shall be substituted, namely :—

“7. Dr. C. R. R. M. Reddy,  
Director of Medical Education,  
Government of Andhra Pradesh, Hyderabad.”

MINISTRY OF TRANSPORT

(Department of Surface Transport)

(Transport Wing)

New Delhi, the 14th January, 1986

S.O. 369.—Whereas Shri K. D. Mathur was appointed as member of the Dock Workers Advisory Committee as a Member representing the employers of dock workers and shipping companies, vide Notification of the Government of India in the Ministry of Transport, (Department of Surface Transport), S.O. No. 800(E), dated the 1st November, 1985 (hereinafter referred to as the said Notification), published in the Gazette of India (Extraordinary), Part II, Section 3, sub-section (ii), dated the 1st November, 1985;

And whereas the Indian National Shipowners Association has since nominated Captain A. R. Ranade vice Shri K. D. Mathur;

Now, therefore, in exercise of the powers conferred by sub-section (2) of section 5 of the Dock Workers (Regulation of Employment) Act, 1948 (9 of 1948) read with sub-rule (2) of rule 3 and the second proviso to sub-rule (1) of rule 6 of the Dock Workers (Advisory Committee) Rules, 1962, the Central Government hereby appoints Captain A. R. Ranade as a member of the Dock Workers Advisory Committee vice K. D. Mathur and for that purpose amends the said Notification, as follows, namely:—

In the said Notification, under the heading “Members representing the Employers of Dock Workers and Shipping Companies” in item 8, for the words and letters “Shri K. D. Mathur”, the words and letters “Captain A. R. Ranade” shall be substituted.

का. आ. 371.—औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार, न्यू मंगलौर पत्तन न्याय के प्रबंधनतंत्र में सम्बद्ध नियोजकों और उसके कम्तकारों के बीच, अनुबंध में निर्दिष्ट औद्योगिक विवाद में औद्योगिक अधिकरण, बंगलौर के पचाट को प्रकाशित करती है जो केन्द्रीय सरकार को 7 जनवरी 1986 को प्राप्त हुआ था।

MINISTRY OF LABOUR

New Delhi, the 17th January, 1986

S.O. 371.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Industrial Tribunal, Bangalore, as shown in the Annexure in the industrial dispute between the employers in relation to the New Mangalore Port Trust and their workmen, which was received by the Central Government on the 7th January, 1986

BEFORE THE INDUSTRIAL TRIBUNAL IN  
KARNATAKA, BANGALORE

Dated this the 30th day of December, 1985

PRESENT :

Sri R. Ramakrishna, B.A., B.J., Presiding Officer.

Central Reference No. 4 of 1981

## I PARTY:

Workmen represented by The General Secretary, New Mangalore Port and Dock Workers Union, N.M.P. Market Building, Panambur-575010 (S.K.)

Vs.

## II PARTY:

The Chairman, New Mangalore Port Trust, Panambur, Mangalore-575010.

## APPEARANCES:

For the I Party—Sri K. Subba Rao, Advocate, Bangalore.

For the II Party—Sri K. S. Bhat, Advocate, Mangalore. Sri C. B. Nandheeshwara, Advocate, Bangalore.

## REFERENCE

(Government Order No. I-45012/1/80-D.IV(A)  
dated 28-2-1981)

## AWARD

The Central Government after forming an opinion that an Industrial Dispute exists between the above parties in respect of the matters specified in the schedule hereunder has referred the dispute for adjudication in exercising the powers conferred by Section 7A and clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947, hereinafter referred to as Act.

## SCHEDULE

Whether the demand of the New Mangalore Port and Dock Workers Union for refixation of pay of Sri Balakrishnan Nair, Senior Signalman, in the scale of pay of Rs. 380-560 for the period from 1st January, 1973 to 3rd August, 1975 is justified? If so, to what relief is the workman concerned entitled?

2. Consequent to this reference the notices are issued to both the parties and they have filed their respective claim statement.

3. It is contended by the I Party that Mr. M. Balakrishna Nair, hereinafter referred as workman, joined the services in the II Party after serving in the Army as a Wireless Operator from 1957 to 1965. Initially he was appointed in the work charge Establishment as a Work Assistant and thereafter, he worked as a Work Assistant for about 7 years i.e. till December, 1972. Thereafter, through the Employment Exchange, he was appointed to the post of Wireless Operator and continued to work till August 1975 on which date he was promoted as Senior Signalman with effect from 4-8-1975. It is further contended in the meanwhile the Central Government appointed Third Pay Commission which after going into all the aspects of the matter submitted its report in 1973. Wherein the pay scale of Wireless Operator was revised, to Rs. 380-12-500-EB-15-560 which pay scale was being given to V.H.F. Operator in the Tuticorin Port which is equivalent to Wireless Operator. It is further contended in the Mangalore Port the Wireless Operator does the same work as that of V.H.F. Operator hence the pay scale should have been fixed as above against the pay scale which was granted to a Wireless Operator in the pay scale of Rs. 330-10-380-EB-12-500-15-560.

4. It is further contended that all the officials who were doing similar and identical work in other departments such as Posts and Telegraphs, Customs, Civil Aviation and Harbour Projects, were also granted the pay scale of Rs. 380-560 and before revision, their pay scale was Rs. 150-300 which was revised to them to Rs. 380-560 except in the new Mangalore Port regarding wireless operators. It is further contended that there was no justification to deny the pay scale of Rs. 380-560 to the workman who was working as a Wireless Operator between 1st January, 1973 to 3rd August, 1975 and the action of the management amounts to hostile discrimination and also unjustified on the principle of region-cum-industry. The action of the

II Party is contrary to the well accepted principles of industrial adjudication and also the socio-economic concept of rendering social justice of giving equal pay for equal work or same pay for the same work.

5. It is further contended since he was subjected to great injustice he has submitted representations and since it was not considered this matter was taken up in conciliation and the dispute was referred for adjudication.

6. The I Party prayed for passing an award directing as the II Party that the workman who is now working as Signal Bosan is entitled to the pay scale of Rs. 380-560 for the period from 1-1-73 to 3-8-75 and other consequential benefits which flow from the fixation of the said pay scale and such other reliefs.

7. The II Party in their counter statement have contended that Mr. Balakrishna Nair was appointed to the post of wireless operator on the pay scale of Rs. 150-300 on 15-12-1972. The revised pay scales in respect of this post of wireless operator was implemented with effect from 1-1-73 as required under Central Civil Services (Revised Scales) Rules, 1973. For this purpose, the Revised Scale had been prescribed as Rs. 330—560 by the Ministry of Shipping and Transport after due consultation with the Ministry of Finance Government of India.

8. It is further contended in view of the above facts the pay fixation of the workman in the revised pay scales has been correctly done in accordance with the Rules, therefore, the II Party is not in a position to agree to any changes in the pay revision already effected. It is further contended a comparative statement showing the qualification for Wireless Operator obtaining in New Mangalore Port Trust and for V.H.F.O. Operator in Tuticorin Port shows the prescribed qualifications and further with effect from 4-8-1975, he has been appointed as Senior Signal Man which is a post on the identical pay scale. Therefore, the demand of the I Party for refixation of the pay in the scale of Rs. 380-560 with effect from 1-1-1973 has no justification and considering of the above said facts, suitable orders may be passed disposing of this case accordingly.

9. The comparative statement filed by the II Party is as under:—

Proscribed qualifications of Wireless Operator in New Mangalore Port Trust in the scale of Rs. 330-560	Prescribed qualifications of V.H.F. Operator in Tuticorin Port Trust in the scale of Rs. 380-560.
--	---

## Essential:

(i) Matriculation or equivalent passed	(i) Pass in Matriculation or its equivalent.
(ii) Should have passed Technical Trade Test Operator in Wireless.	(ii) Certificates of proficiency in Radio Telephone

Note: Preference will be given to persons with the knowledge of the theoretical and practical training in Radio Service Engineering.

(Restricted) Maritime Mobile Service, issued by Government of India OR Certificate of the proficiency in Radio Telephone (Inland Maritime issued by the Government of India).

10. Now the only point that arises for determination is:—

1. Whether the demand of the workman for the refixation of the pay in the scale of Rs. 380-560 for the period from 1-1-73 to 3-8-75 is justified?
2. What order?

Point No. 1—To prove this point the parties have placed both oral and documentary evidence. Mr. Balakrishna Nair who examined himself as WW-1 has deposed that he has passed S.S.L.C. and Technical Test as Wireless Operator and was working in that capacity in the military service. He joined the II Party as Work Assistant on 30-11-1965

and promoted as Wireless Operator in December, 1972 as per Ext. W.1, which he has continued for three months. He has further deposed there was a revision of pay and the post on a pay scale of Rs. 150—300 was revised as Rs. 380—560. He was given a scale of Rs. 330-560. He has further deposed that in the Tuticorin Port there is a post called high frequency operator which had a scale of Rs. 150-300 and on revision it was fixed at Rs. 380-560.

11. He has further deposed his duty as Wireless Operator is the same as that of the work done by V.H.F. Operator and the same type of equipment is to be handled in that post as well as his post. Ext. W-3 is the copy of the minutes before the A.L.C. wherein the II Party has admitted the correctness of his claim and Ext. W-4 is the extract showing the cadre and qualifications for those cadres and Ext. W-5 is the extract to show the qualifications required for the post of V.H.F. Operators. Such a post now exists in the II Party and Exts. W-6 and W-7 are the two letters from the officers of the II Party approving his claim and Ext. W-8 is the copy of his representation and Ext. W-9 is the letter written by the union. He has further deposed that the qualifications required for the post of a Wireless Operator are higher than what are required for V.H.F. Operator and he has qualified for appointment in either of the post and wireless operators are paid on the scale of Rs. 380—560 in all departments.

12. Against this evidence, one Assistant Secretary gave the evidence on behalf of the II Party, who has not placed any material contradicting the stand taken by the workman in his evidence except marking of some documents which was the correspondence held between the II Party with the Government of India.

13. In his cross-examination he has deposed that Mr. Balakrishna Nair was appointed as Wireless Operator in which the Port Trust has prescribed qualification and the workman was having the requisite qualification during the time of his appointment. He has further deposed though Mr. Balakrishna Nair was appointed as a Wireless Operator, he has performing the duties of very high frequency operator. In Tuticorin Port, there is a post of V.H.F. Operator and Wireless Operator at Mangalore Port was doing the duty similar to the duty of V.H.F. Operator at Tuticorin Port. He has further stated that he do not know personally what is meant by Technical Trade Test and further they have not sent the certificate possessed by the workman along with the letters sent to the Government of India nor those particulars was stated in Ext. M-5.

14. The II Party to justify the stand taken by them have also filed an affidavit sworn to by an Assistant Secretary. Broadly speaking contentions raised in the affidavit are that the differences of wage scale between a Wireless Operator working in the II Party and V.H.F. Operators working in Tuticorin Port and other departments was due to the differences in educational qualifications. It is further contended that the Government of India in their Telex Message Exts. M-2 and M-3 have taken note of this differences in education and intimated the post of a Wireless Operator cannot be equated to that of V.H.F. Operators working in other places. We have already adverted to qualifications that has been prescribed for a Wireless Operator for the appointment in the II Party and the V.H.F. Operators working in other places. There is no dispute that though the pay scale of Wireless Operators and V.H.F. Operators prior to 1972 was in the pay scale of Rs. 150-300 the subsequent revision with effect from 1-1-73 the same was fixed at Rs. 330-560 to a Wireless Operator in Mangalore Port Trust and a pay scale of Rs. 380-560 at Tuticorin Port, Post & Telegraphs etc. with effect from the same date.

15. The grievance of the workman is that though the educational qualification fixed for these two categories are different, the nature of work done by a Wireless Operator and a V.H.F. Operator is being similar there is discrimination in fixing the wage scale in the lower strata to his post.

16. On a reading of the qualifications prescribed as per the comparative statement filed by the II Party it is no doubt that in technical terms the qualifications are differ each other but, however, the II Party has not placed any

material, how the differences in these qualifications is changing the nature of work done by an individual, when there is evidence both oral and documentary that Mr. Balakrishna Nair was performing the duties of a V.H.F. Operator though his designation was fixed as Wireless Operator. It is also in the evidence that the I Party workman has passed the technical trade test, as admitted by MW-1 the same was not intimated to the Deputy Wireless Adviser to the Government of India in the letter Ext. M-5 dated 19-7-1983 and it is also admitted by MW-1 in his cross-examination that they have not sent the certificates possessed by Mr. Nair along with the letter Ext. M-5 and the fact of certificates possessed by him also not intimated in the letter Ext. M-5. Ext. M-2 produced by the I Party which is the extract of gazette notification dated 17-12-73 amending the Central Civil Services (Revised pay) 3rd amendment Rules 1973 the pay scale in Post and Telegraphs Department for Wireless Operator was revised from Rs. 150-300 to Rs. 380-560 with effect from 1-1-1973. It is also admitted in Ext. W-3 the proceedings of the conciliation held before the Assistant Labour Commissioner, Bangalore in the presence of representative from both the parties that the II Party had no wireless sets at all, but they had V.H.F. sets from the beginning and Mr. Balakrishna Nair has been operating the V.H.F. sets and performing the functions satisfactorily upto the date of his promotion that is 3-8-1975. This shows that the designation of Mr. Nair should have been 'V.H.F. Operator' instead of as 'Wireless Operator' as there was no wireless sets available in the II Party when Mr. Nair was appointed as a Wireless Operator. Though the Assistant Wireless Adviser has opined in his telex message that military wireless certificate qualification is not equivalent to Radio Telephone (Restricted) Maritime Mobile Certificate of proficiency, this opinion can be taken only for the appointment in future but it does not disqualify the earlier work done by the workman as a V.H.F. Operator, it should be noted that this opinion was given in 1983 but the facts of the case is that of the work done in 1973. Though the II Party are able to place the material of differences in qualification to that of a post of Wireless Operator and V.H.F. Operator in Tuticorin that position does not apply to Ex. W-2, where the wage scale for a wireless Operator was revised to Rs. 380-560.

17. The learned counsel for the I Party Sri K. Subba Rao has vehemently argued that prescription of qualification for particular post differ from one department to the other, the court should take note of the nature of works allotted to these employees and if the courts were to found that the nature of work is one and the same though the qualification for the appointment is different than the doctrine equal pay for equal work or same pay for the same work should be applied. In support of this contention the learned counsel has placed his reliance on the decisions reported in A.I.R. 1963 S.C. 630, A.I.R. 1982 806 and AIR 1985 SC 1124

18. Against this submission the learned counsel for the II Party Sri C. B. Nandheeswara has submitted that before fixing a wage scale for different categories the educational qualifications plays an important roll and since the I Party workman was not possessed the qualifications that was prescribed to the post of V.H.F. Operator, the Government is justified in not considering the wage revision in the case of the I Party with that of the V.H.F. Operators working in the Tuticorin Port and other departments.

19. The materials now placed before this Tribunal makes it clear that the I Party workman was though designated as 'Wireless Operator' indeed he was doing the work of a V.H.F. Operator as the II Party was not possessing any wireless sets and only V.H.F. set. This position makes clear that the doctrine of same pay for the same work is applicable.

20. In Randhir Singh vs. Union Bank of India when such a situation was brought before the Hon'ble Supreme Court their lordships have held in para number 8 is as follows :

It is true that the principle of equal pay for equal work is not expressly declared by our Constitution to be a fundamental right. But it certainly is a Constitutional goal. Art. 39(d) of the Constitution proclaims 'Equal pay for equal work for both men

and women' as a directive principle of State policy. Equal pay for equal work for both men and women' means equal pay for equal work for everyone and as between the sexes. Directive Principles, as has been pointed out in some of the judgments of this Court have to be read into the fundamental rights as a matter of interpretation. Art. 14 of the Constitution enjoins the State not to deny any person equality before the law or the equal protection of the laws and Art. 16 declares that there shall be equality of opportunity for all citizens in matters relating to employment or appointment to any office under the State. These equality clauses of the Constitution must mean something to everyone. To the vast majority of the people the equality clauses of the Constitution would mean nothing if they are unconcerned with the work they do and the pay they get. To them the equality clauses will have some substance if equal work means equal pay. Whether the special procedure prescribed by a statute for trying alleged robber-barons and smuggler kings or for dealing with tax evaders is discriminatory, whether a particular Governmental policy in the matter of grant of licences or permits confers unfettered discretion on the Executive, whether the takeover of the empires of industrial tycoons is arbitrary and unconstitutional and other questions of like nature, leave the millions of people of this country untouched. Questions, concerning wages and the like, mundane they may be, are yet matters of vital concern to them and it is there, if at all that the equality clauses of the Constitution have any significance to them. The preamble to the Constitution declares the solemn resolution of the people of India to constitute India into a Sovereign Socialist Democratic Republic. Again the word 'Socialist' must mean something. Even if it does not mean 'To each according to his need', it must at least mean 'equal pay for equal work'. The principle of 'equal pay for equal work' is expressly recognised by all socialist systems of law e.g., Section 59 of the Hungarian Labour Code, para 2 of Section 111 of the Czechoslovak Code, Section 67 of the Bulgarian Code, Section 40 of the Code of the German Democratic Republic, para 2 of Section 33 of the Rumanian Code. Indeed this principle has been incorporated in several western labour codes too. Under provisions in S. 31 (G. No. 2d) of Book-I of the French Code du Travail, and according to Argentinian law, this principle must be applied to female workers in all collective bargaining agreements. In accordance with Section 3 of the Grundgesetz of the German Federal Republic, and Clause 7, Section 123 of the Mexican Constitution, the principle is given universal significance (vide : international labour law by Istvan Szaszy p. 265). The preamble of the Constitution of the International Labour Organisation recognises the principle of 'equal remuneration for work of equal value' as constituting one of the means of achieving the improvement of conditions 'involving such injustice, hardship and privation to large numbers of people as to produce unrest so great that the peace and harmony of the world are imperilled'. Construing Articles 14 and 16 in the light of the preamble and Art. 39(d), we are of the view that the principal 'equal pay for equal work' is deducible from those Articles and may be properly applied to cases of unequal scales of pay based on no classification or irrational classification though those drawing the different scales of pay do identical work under the same employer.

21. The above decision was subsequently followed by the Hon'ble Supreme Court of India in A.I.R. 1985 S.C. 1124.

22. Since there is materials on record to show that the I Party workman though designated as Wireless Operator was in fact doing the work of V.H.F. Operator. It is discrimination if his wage scale is fixed at Rs. 330-560, when the wage scale for the similar work was fixed at Rs. 380-560 in other organisations who were doing the similar nature of work. Hence I hold this point in the affirmative.

23. In the result I make the following award:—

#### AWARD

The workman Mr. Balakrishna Nair who is now working as Signal Bosan is entitled to the pay scale of Rs. 380-560 for the period from 1-1-1973 to 3-8-1975. The II Party is hereby directed to pay the differences for that period and however the I Party is not entitled for fixation of pay from 4-8-1975 on the basis of the award now passed. But, he is continued to enjoy the pay scale fixed after his promotion and this award is limited to the period 1-1-1973 to 3-8-1975 only. Parties shall bear their own costs

(Dictated to the Stenographer, transcribed and typed by her and corrected by me).

Case No. CGIT/LC(R)(86) of 1984.

#### PARTIES :

Employers in relation to the management Aeronautical Communication Station, Civil Aerodrome, Jabalpur and their workman, Shri Prakash Kumar Rajak, Junior Clerk, C/o. Gopal Typing Institute, Golbazar, Jabalpur (M.P.).

#### APPEARANCES :

For Applicant workman—Shri R. K. Gupta, Advocate.

For Management—Shri C. K. Sharma, Advocate.

#### INDUSTRY :

Aeronautical Communication Station.

#### DISTRICT :

Jabalpur (M.P.).

#### AWARD/ORDER.

Dated, December, 18, 1985

By Notification No. L-42012(22)/82-D.II(B) dated 23rd October, 1984 the Ministry of Labour & Rehabilitation (Department of Labour) has referred the following dispute for adjudication :—

"Whether the action of the management of Aeronautical Communication Station, Civil Aerodrome, Jabalpur (M.P.) in terminating the services of Shri Prakash Kumar Rajak, Junior Clerk with effect from 11-5-81 is justified? If not, to what relief is he entitled?"

2. Non-controversial facts of the case are that the workman Shri P. K. Rajak was employed as a Junior Clerk with effect from 5-7-1978 by the Aeronautical Communication Station, Civil Aerodrome, Jabalpur, hereinafter referred to as the management. The services of the workman were dispensed with by the employer by termination order dated 29-4-1981 with effect from 11-5-1981.

3. The case of the workman is that he has not been supplied with any reason for terminating his employment which amounts to unfair labour practice. The workman has not been given either one month's notice or salary in lieu thereof or the retrenchment compensation in accordance with Sec. 25F of the I.D. Act. His termination amounts to retrenchment within the meaning of Sec. 2(oo) of the I.D. Act.

4. Other civil employees who were appointed subsequently have been retained in service. The Civil Aviation Department of Aeronautical Communication Station, Civil Aerodrome, Jabalpur was performing systematic activities with the help of capital and labour to satisfy the human needs of communication and they were regularly charging amount from Air India Corporation as well as the other private parties. Those activities carried by the management is within the four corners of the word 'industry' and the applicant is a workman as defined under the Industrial Disputes Act.

5. The case of the management is that Shri Prakash Kumar Rajak is not a workman and the management is not an industry within the meaning of the Industrial Disputes Act. Services of Shri Rajak were governed by the C.C.S. (Temporary Rules), 1965 and in his appointment order it has been specifically mentioned that it was for a short term and purely a temporary one. Shri Rajak had signed a declaration accepting the terms and conditions of his services.

6. Shri Rajak is neither a workman nor the management industry within the meaning of I.D. Act. Hence his claim is liable to be dismissed on these preliminary legal grounds alone.

7. I framed the following issues which with my reasons and findings are as under :—

#### ISSUES.

1. Whether Shri Prakash Kumar Rajak is not an employee within the meaning of Sec. 2(s) of the I.D. Act ?
2. Whether the Civil Aerodrome of Aeronautical Communication Station is not an 'industry' within the meaning of I.D. Act.
3. (a) Whether the action of the management of Aeronautical Communication Station, Civil Aerodrome, Jabalpur (M.P.) in terminating the services of Shri Prakash Kumar Rajak Junior Clerk with effect from 11-5-1981 is justified ?  
(b) If not, to what relief is he entitled ?

#### Reasons & Findings .

8. ISSUES NOS. 1 & 2.—Both these issues are inter connected I will therefore take up together.

9. The word 'workman' has been defined under S. 2(s) of the I.D. Act. The word 'industry' is defined under Sec. 2(i) and its relevant portion are reproduced below :—

"(i) 'Industry' means any systematic activity carried on by co-operation between an employer and his workmen (whether such workmen are employed by such employer directly or by or through any agency, including a contractor) for the production, supply or distribution of goods or services with a view to satisfy human wants or wishes (not being wants or wishes which are merely spiritual or religious in nature), whether or not,—

(i) any capital has been invested for the purpose of carrying on such activity; or

(ii) such activity is carried on with a motive to make any gain or profit."

The test whether a particular department of the Government or public sector undertaking is an industry or not has been considered in the case of Bangalore Water Supply & Sewrage Board Vs. A. Rajappa and others (1978-LT LJ 349). It has been held therein :—

- (a) where (i) Systematic activity ; (ii) organised by co-operation between employer and employees (the direct and substantial element is commercial) ; (iii) for the production and/or distribution of goods and services calculated to satisfy human wants and wishes (not spiritual or religious but inclusive of material things or services geared to celestial bliss i.e. making on a large-scale of (prasad or good) *prima facie*, there is an industry in that enterprise.
- (b) Absence of profit-motive or gainful objective is irrelevant, be the venture in the public, joint or private or other sector.
- (c) The true focus is functional and the decisive test is the nature of the activity with special emphasis on the employer-employee relations.
- (d) If the organisation is a trade or business, it does not cease to be one because of philanthropy animating the undertaking."

It was further held that the sovereign function, strictly understood alone qualify for exemption, not the welfare activities or economic adventures undertaken by the Government or statutory bodies. It was also held that even in such departments if there are units which are industries and they are substantially severable, then they can be considered to come within the meaning of Sec. 2(j). While laying down dominant nature test their Lordships of the Hon'ble Supreme Court further observed that where complex activities are carried on, some of which may qualify for exemption, others not, involves employees of the total undertaking, the predominant nature of the services and the integrated nature of the departments will be the true test. I will examining the activities carried on by the management in the instant case in the light of the above observations of the Hon'ble Supreme Court.

10. On behalf of the management one Shri P. K. K. Nair (M.W. 1) Officer Incharge, Civil Aviation Department, Jabalpur, has been examined. He has stated that the Aeronautical Communication Station provide communication facilities to landing aircraft which is one wing. The other wing is the Aerodrome which gives instructions to the landing and taking on aircrafts. A.C.S. does not charge anything. It is the Aerodrome wing of the Civil Aviation Department which takes the necessary charges. The Aeronautical Communication Stations of Civil Aviation Dept. are governed by the Allocation of Business Rules of 1951. These Rules of 1961 are published by the Government of India in which the activities of the Civil Aviation Department are narrated. My learned brother of the C.G.I.T. No. 2 Bombay in the case of Management of International Airport Authority of India and the Directorate Central, Civil Aviation Department, New Delhi Vs. their workmen (Case No. CGIT-2/4 of 1983) in his award dated 17th July, 1984 he reproduced the activities of Civil Aviation Department as follows :—

1. Meteorological Organisation.
2. Aircraft and air navigation ; Provision of Aerodromes ; regulation and organisation of air traffic and or aerodromes excepting sanitary control of air navigation.
3. Beacons and other provision for the safety of aircraft.
4. Carriage of passengers and goods by air.
- 4A. International Civil Aviation Organisation (CAO).
- 4B. International Air Transport Association (IATA).
- 4C. Commonwealth Air Transport (CATC).
- 4D. Commonwealth Advisory Aeronautical Research Council.
5. Corporation established under the Air Corporation Act, 1953.
6. Chief Commissioner of Railway Safety.

On the other hand the workman, Shri Prakash Kumar Rajak (W.W.1) gave his statement. His version is that the Aeronautical Communication Station's working is one landing of plane and flight for all planes private or the Indian Air Lines and the Government. The Aeronautical Department is charging from all the above planes for landing and flights, thus is doing business.

11. In view of the activities of Civil Aviation Department as laid down under Rules of 1961 and the oral evidence adduced by the parties I am of the opinion that there is a systematized activity by cooperation of employer and employee for services calculated to satisfy human wants and wishes not spiritual etc. The fact that one of its wing Aeronautical Communication station does not collect charges the absence of profit motive and gainful objective, are irrelevant. Its functions are not sovereign simply because Civil Aviation Department of which the Aeronautical Communication is part and parcel carries on welfare activities under the Government. It cannot said to be beyond the vide definition of industry within the meaning of Sec. 2(j) of the I.D. Act. It is the dominant nature of activity carried on by the employer and employee which is relevant. The dominant nature of the work of the Civil Aviation Department including the Aeronautical Communication Station is to render service to the public through the cooperation of employer and employee. In the case of Bangalore Water Supply & Sewerage Board (supra) it was held that in view of Government entering into large fields of industries therefore only those service which are governed by separate rules and constitutional provisions such as Articles 310 and 311 should strictly speaking be excluded from the sphere of industry be necessary implication. It is not shown that Civil Aviation Department are governed by separate rules or by constitutional provisions. Their business is only defined by Allocation of Business Rules 1961 and not their service conditions (at least no such rule has been shown to me).

12. Lastly reliance is placed on the case of Management of International Airport Authority and the Directorate of Central Civil Aviation Department, New Delhi Vs. their workmen (supra) but finding of another Tribunal is not binding on this Tribunal. An unreported case of M.P. No. 880/81 was filed against the order dated 29-4-1981 of the Regional Director, Civil Aviation Department, Bombay challenging its validity in this very case. But this question involved in the present case was neither raised nor decided. Therefore it is not valuable to decide the question in issue.

13. For the reasons discussed above I hold that the employee is a workman and the Civil Aviation Department is an industry within the meaning of Sec. 2 (i) of the Industrial Disputes Act. I decide this issue accordingly.

14. Issue No. 3 (a)(b) : It is not disputed before me that the workman was employed as a Junior Clerk with effect from 5-7-78 and his services were terminated with effect from 11-5-1981. Thus he worked for nearly three years with the management.

15. Section 25B of the I.D. Act defines 'continuous service' If he has worked for a period of 12 calendar months preceding the date with reference to which calculation is made has actually worked under the employer for not less than 240 days. The present workman has worked for more than 240 days in the preceding year.

16. Section 25F of the I.D. Act lays down that no workman employed in any industry who has been in continuous service for not less than one year unless one month's notice or wages in lieu of notice and retrenchment compensation is paid shall be retrenched.

17. The 'retrenchment' has been defined under Sec. 2(oo) of the Industrial Disputes Act as under :—

"Retrenchment means the termination by the employer of the service of a workman for any reason whatsoever, otherwise than as a punishment inflicted by way of disciplinary action, but does not include:—

- voluntary retirement of the workman;
- retirement of the workman on reaching the age of superannuation if the contract of employment

between the employer and the workman concerned contains a stipulation in that behalf; or

(c) termination of the service of a workman on the ground of continuous ill-health."

18. The case of the management is that he was employed on a short term, purely temporary basis specifically stating that it will not confer any right towards retention in service, seniority etc. as is apparent from the appointment order Ex. M(1). The workman had accepted these terms and signed a declaration in this behalf vide Ex. M(2). Therefore he is estopped from challenging the same. This contention stands repelled by the pronouncement of the Supreme Court in the case of State Bank of India Vs. N. Sundaramoney (AIR 1976 SC 1111) wherein it has been held that "termination for any reason whatsoever in Sec. 2(oo), are the key words. Whatever the reason, every termination spells retrenchment otherwise than by way of punishment inflicted by the disciplinary action. It has been further held that if the workman swims into the harbour of Section 25F he cannot be retrenched without payment, at the time of retrenchment, compensation computed as prescribed therein read with Section 25B (2). Same view was expressed in the case of Hindustan Steel Ltd. Vs. State of Orissa and others (1977-I-LLJ p.1).

19. Casual or seasonal labour once they required the status of temporary servant they are governed by condition of service as has been held in the case of L. Robert D'Souza Vs. Executive Engineer (AIR 1982 SC 854). Even in cases where according to terms of service the same terminate by aflux of time, even then it will amount to retrenchment as has been held in the case of State Bank of India Vs. N. Sunderamoney (supra).

20. In view of the above authorities the plea of the management regarding the terms of his service do not help them. The workman has stated that his services were terminated without any notice or wages in lieu of notice and without paying the retrenchment compensation and on his termination one R.K. Jakaria was take in service. In the absence of rebuttal I see no reason to disbelieve the statement of the workman and this amounts to unfair labour practice. In any case his retrenchment for reason whatsoever amounts to retrenchment and failure to give notice or wages in lieu thereof and failure to pay retrenchment compensation renders retrenchment void as has also been held in the case of Factory Manager, Central India Machinery Mfg. Co. Ltd., Gwalior and another Vs. Naresh Chandra Saxena (1983 I.L.C. p. 941). I find that the action of the management of Aeronautical Communication Station, Civil Aerodrome, Jabalpur in terminating the services of Shri Prakash Kumar Rajak with effect from 11-5-1981 is unjustified.

21. As a normal rule in such cases he is entitled to reinstatement from the date of termination i.e. 11-5-81 with full back wages and all other ancillary reliefs including seniority. The issue and the reference is answered accordingly. No order as to costs.

V. S. YADAV, Presiding Officer.

S.O. 373—In pursuance of section 17 of the Industrial Dispute Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Jabalpur, as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Gun Carriage Factory, Jabalpur and

their workmen, which was received by the Central Government on the 7th January, 1986.

BEFORE SHRI V.S. YADAV, PRESIDING OFFICER,  
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL—  
CUM-LABOUR COURT, JABALPUR (M.P.)

CASE NO. CGIT/LC(R)(55)|1984.

PARTIES .

Employers in relation to the management of Gun Carriage Factory, Jabalpur and their workman, Shri Ramdeo, represented through the G.C.F. Employees Union 352/4 Type II, GCF Estate, Jabalpur (M.P.)

APPEARANCES :

For Union : Shri Arvind Srivastava, Advocate.

For Management : Shri S. L. Srivastava, Advocate.

INDUTRY . Gun Factory DISTRICT : Jabalpur (M.P.)

AWARD

Dated : December 26, 1985.

The following dispute as mentioned in the Schedule to the reference No. L-14012(5)|83 D II(B) dated 16th July, 1984 has been referred by the Ministry of Labour to this Tribunal for adjudication :—

"Whether the action of the management of Gun Carriage Factory, Jabalpur in denying promotion to Shri Ramdeo slo Muratram Welder 'C' to higher grade for want of unconditional undertaking from the concerned workman, as a consequence of his past reversion to Machinist 'C' which deprives him past benefits is justified ? If not, to what relief is the workman concerned entitled ?".

2. The non-controversial facts of the case are that the workman, Shri Ramdeo, was appointed on the post of Welder 'C' in the Small Arms Factory Kanpur on 24-4-1959 where he worked till he was transferred to Gun Carriage Factory, Jabalpur on 28-6-1972.

3. That the workman was reverted and transferred from the post of Welder 'C' to the post of Machinist 'C' a post one grade lower than the post the workman was holding on 14-7-1974. Thus his basic pay was reduced to Rs. 79 per month from Rs. 95 p.m. in the pay scale of Rs. 85-110 causing loss of Rs. 16/- p.m. and seniority in service. However, he was again designated as Welder 'C' in 1975.

4. The case of the workman is that he was appointed in the permanent post of Welder 'C'. His reversion was in violation of the order regarding disposal of surplus staff in civil establishment without any notice or his acceptance. Though he was designated as Welder 'C' in 1975 but since the wage scale of Machinist 'C' and Welder 'C' was made identical his loss of wages continued.

5. The workman had requested the management for his promotion but he was asked to give unconditional undertaking that he would not claim any monetary benefit for the period in question. This happened twice.

6. The case of the management is that he was not appointed in the permanent post as Welder 'C'. He was only declared permanent in the post of Machinist 'C' with effect from 1-4-1967. He along with 29 workers were reverted because the staff had become surplus in their trade. However, on reversion, while fixing his pay, number of years of completed service rendered by him in the higher grade was counted for the grant of incremental benefits. Thus the reversion was quite legal and in accordance with the existing government orders. The workman had preferred an appeal which was dismissed. However, on humanitarian consideration he was allowed to count the service rendered by him as Welder 'C' for seniority purpose provided he gave undertaking that he will not claim any financial benefits. Instead of giving an undertaking he preferred a claim to Labour Court which was also dismissed. Even then he was given one more chance to give the undertaking to allow him to appear in trade test for the post of Welder 'B'.

7. The claim of the workman was rejected by the Tribunal as well as by the High Court. Hence his claim is barred by the principle of res judicata.

Since the workman was reverted at Kanpur by Small Arms Factory, Kanpur the same is a necessary party. It ought to have been impleaded.

8. I will take up the legal objections raised first. It is true that the workman was reverted by the Small Arms Factory, Kanpur, but the workman had been brought to the same position by the management of Jabalpur. This reference occasioned because the management at Jabalpur asked the workman to give unconditional undertaking, then alone his promotion to the higher grade will be considered. In the circumstances the Small Arms Factory Kanpur is not at all a necessary party.

9. On the point of res judicata the management has relied on copy of the judgment of this Tribunal dated 4th November, 1982 in case no. 362/81 (Ex. M|4). That was an application under Sec. 33-C(2) of the I. D. Act, 1947 and it was rejected as not maintainable. The claim in that application was rejected on the jurisdictional ground and not on merits. This is a reference under S. 10 of the I. D. Act therefore there is no question of principle of res judicata applying in the instant case. Thus both these objections are worthless.

10. In support of his case the workman has relied on his own statement and documents Ex. W|1 to W|11. On the other hand, the management relied on the statement of John Mohd. (M.W.1) and the workman's service record (Ex. M|1) and Memo of Director General, Ordnance Factory dated 6-1-1954 (Ex. M|2) and Memo of Government of India, Ministry of Defence dated 19-11-1953 (Ex. M|3) in this regard.

11. From the evidence it is crystal clear that the workman was reverted to a grade lower and his pay was fixed causing loss of Rs. 16 in spite of the fact that his completed year of service in the higher grade was counted for grant of incremental benefits. Looking to this anomaly, it appears that the management vide its Memo dated 10-8-1979 (Ex. W|9) and Memo dated 22-5-1981 (Ex. W|10) copies of which are contained in Ex. W|11 except for the addition of the date 6 April 1981 instead 22nd April 1981 offered him that if he submits a written and unconditional undertaking (enclosed) that he will not claim other benefits in future whether monetary or otherwise arising out of his first spell of service as Welder 'C' or reversion therefrom to Machinist 'C', then alone he will be allowed to appear for the trade test for Welder 'B' and grant him seniority from the date he was initially appointed as Welder 'C'. On behalf of the workman it has been contended that seeking such an unconditional undertaking amounts to unfair labour practice and the workman ought to have been allowed without any condition to appear for the trade test for welder 'B'.

12. On behalf of the management it is urged that his appeal having been dismissed the offer was only made on humanitarian and sympathetic consideration of his case. I find there is nothing human or sympathetic if the workman is made to give an unconditional undertaking as required. The contention of the workman on the other hand appears to have some substance in it.

13. The question arises whether the workman is entitled to his seniority and loss of wages on account of his reversion as per the existing rules and instructions in this regard.

14. On behalf of the management Government of India Ministry of Defence Memo dated 19th November, 1953 (Ex. M|3) on which the Memo of the Director General, Ordnance Factory dated 6th February 1954 (Ex. M|4) was based are relied on. Ex. M|3 says in the relevant para 4 that cases of reversion or demotion are governed by the answer to question No. 10 in the annexure to the Ministry letter No. 16(23)|49|D. II dated 4th January, 1950. This letter has not been produced. Thus the entire record is not placed before this Tribunal. However, the gist of that letter is mentioned that the payment to a lower post is to be fixed by allowing benefit of the entire full paid approved service since 3-9-1939 in the grade equal to or higher than the one to which Director General's order Ex. M|2 was based does the letter dated 4th January, 1950 orders fixation of the pay

allowing the seniority and arrears. This is exactly what Ex. than to which the individual is now posted. It does not say lower pay scale is to be fixed. This letter further impose a condition that however such fixation should not exceed the pay last drawn in the higher appointment at the time of reversion or demotion. This also does not support the contention of the management. It only restricts that the fixation should not exceed the last pay drawn. In the instant case, it was Rs. 16/- less than the last pay drawn.

15. Next sub-para (4) simply says that past service reckoned towards increments should be allowed since no regular time scale existed for I.T.E. Sub-para (4) further laid down that no arrears are payable for the period prior to 4-1-1950 will be permissible either in regard to payment of memo will apply to Ordnance Factory only on those points on which there are no specific orders for them. This was a case of the ordnance factory and it prohibited payment of arrears for the period prior to 4-1-1950. In the instant case, the workman entered into service (whether temporary, quasi permanent or permanent is immaterial) on 24-4-1959 and he was reverted with effect from 14-7-1974. Therefore prohibition contained in Ex. M/3, regarding non-payment of arrears for period prior to 4-1-1950 will not apply to the instant case. Thus this letter of Ministry of Defence on which Director General's order Ex. M/2 was based does not support the stand taken by the management in not allowing the seniority and arrears. This is exactly what Ex. M/2 in its clarification of 2nd and 3rd sub-paras of para 4 says that no monetary adjustment for any case prior to 4-1-1950 will be permissible either in regard to payment of arrears or in regard to recoveries where arrears are already being paid. Thus there is nothing in these orders Ex. M/3 and Ex. M/2 to disallow the claim of the workman. Therefore the pay fixation done on the basis of above letters and returns to give unconditional chance of promotion cannot be upheld. However, on behalf of the management it has been asserted that the workman was reverted on account of orders of the Government i.e. the Ministry of Defence. Therefore he is not entitled to difference of wages. This contention is without any substance. Even the witness of the management, Shri Joh Mohd. (M.W. 1) has admitted in his cross-examination that in case of surplus staff the Army Order No. 73 of 1950 (Ex. W/2) was applicable. This order no. 73/50 (Ex. W/2) has been filed and relied on by the workman, the relevant para of which is reproduced below:—

“Individuals rendered surplus in an establishment will first be considered for absorption in other equivalent or lower appointments in the same establishment when they are willing to accept (in writing) and which they are found suitable.”

Even this Army order says that absorption in other equivalent or lower appointment in the same establishment may be made when they are willing to accept the same in writing and which they are found suitable. Ex. W/1 date 14-7-74 is the order of reversion of the workman. It now where says nor there is an iota of evidence in this that necessary consent in writing was obtained before he was reverted. The workman also asserted on oath that no such consent was taken.

16. As a last resort it has been contended on the basis of his service record (Ex. M/1) that his previous record was bad. Therefore he was reverted. This is without any pleading or basis in this regard. There is nothing in the service book Ex. M/1 or the record produced before me that he was reverted because of his bad record. It was also not pleaded. In such circumstances even John Mohd. (M.W. 1) was compelled to admit that the management's stand was that he was found surplus.

17. From the above, I hold that action of the management of Gun Carriage Factory, Jabalpur in denying promotion to Shri Ramdeo Shri Muratram Welder 'C' to higher grade for want of unconditional undertaking from the concerned workman as a consequence of his past reversion to Machinist 'C' which deprives him past benefits is unjustified.

18. The workman is, therefore, entitled to promotion to higher grade on successful completion of trade test without any further condition and his seniority and the different of wages with all other ancillary reliefs from the date of reversion till the date of promotion accruing to him. The management will also pay costs of Rs. 500/- to the workman.

## स्पष्टीकारक जापन

इन मामले में छूट को भूतालक्षी प्रभाव देना आवश्यक हो गया है और अर्थात् छूट के आवेदन मंवंधी प्रक्रिया में समय लग गया था। किन्तु यह प्रमाणित किया जाता है कि छूट की भूतालक्षी प्रभाव देने से किसी भी व्यक्ति के हित पर प्रतिकूल प्रभाव नहीं पड़ेगा।

New Delhi, the 20th January, 1986

S.O. 375.—In exercise of the powers conferred by section 88 read with section 91A of the Employees State Insurance Act, 1948 (34 of 1948) the Central Government hereby exempts the regular employees of the units of Bharat Petroleum Corporation Limited specified in the schedule annexed hereto from the operation of the said Act for a period of one year from 1st April, 1985 upto and inclusive of 31st March, 1986.

The above exemption is subject to the following conditions, namely,—

- (1) The aforesaid factory wherein the employees are employed shall maintain a register showing the names and designations of the exempted employees;
- (2) Notwithstanding this exemption, the employees shall continue to receive such benefits under the said Act to which they might have become entitled on the basis of the contributions paid prior to the date from which exemption granted by this notification operates;
- (3) The contributions for the exempted period, if already paid, shall not be refunded;
- (4) The employer of the said factory shall submit in respect of the period during which that factory was subject to the operation of the said Act (hereinafter referred to as the said period), such returns in such forms and containing such particulars as were due from it in respect of the said period under the Employees' State Insurance (General) Regulations, 1950;
- (5) Any inspector appointed by the Corporation under sub-section (1) of Section 45 of the said Act or other official of the Corporation authorised in this behalf shall, for the purpose of—
  - (i) verifying the particulars contained in any return submitted under sub-section (1) of section 44 for the said period; or
  - (ii) ascertaining whether registers and records were maintained as required by the Employees' State Insurance (General) Regulations, 1950 for the said period; or
  - (iii) ascertaining whether the employees continue to be entitled to benefits provided by the employer in cash and kind being benefits in consideration of which exemption is being granted under the notification; or
  - (iv) ascertaining whether any of the provisions of the Act had been complied with during the period when such provisions were in force in relation to the said factory be empowered to—

- (a) require the principal or immediate employer to furnish to him such information as he may consider necessary; or
- (b) enter any factory, establishment, office or other premises occupied by such principal or immediate employer at any reasonable time and require any person found in charge thereof to produce to such inspector or other official and allow him to examine such accounts, books and other documents relating to the employment of persons and payment of wages or to furnish to him such information as he may consider necessary; or
- (c) examine the principal or immediate employer, his agent or servant, or any person found in such factory establishment, office or other premises or any person whom the said inspector or other official has reasonable cause to believe to have been an employee; or
- (d) make copies of or take extracts from, any register, account book or other document maintained in such factory, establishment, office or other premises.

New Delhi, the 20th January, 1986

S.O. 376.—Whereas the Central Government has, in pursuance of clause (f) of section 4 of the Employees' State Insurance Act, 1948 (34 of 1948), nominated Shri V. B. Mahatme, Acting Secretary, Employers' Federation of India, Bombay as a member of the Employees' State Insurance Corporation in place of Shri Indravadan Pranlal Shah;

Now, therefore, in pursuance of section 4 of the Employees' State Insurance Act, 1948 (34 of 1948), the Central Government hereby makes the following amendment in the notification of the Government of India in the Ministry of Labour No. S.O. 545(E), dated the 23rd July, 1985, namely :—

In the said notification, under the heading “(Nominated by the Central Government under clause (f) of section 4 in consultation with organisations of the employers recognised by the Central Government for the purpose)”, for serial No. 32 and the entry relating thereto, the following serial number and the entry shall be substituted, namely :—

“32. Shri V. B. Mahatme,  
Acting Secretary,  
Employers' Federation of India,  
Army and Navy Building,  
148, Mahatma Gandhi Road,  
Bombay-400023.”

[No. U-16012/6/85-SS. II

का. आ. 377.—केन्द्रीय सरकार, कर्मचारी राज्य बोमा अधिनियम, 1948 (1948 का 34) की धारा 91क के साथ पिछले धारा 88 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, इंडियन आयल कॉरपोरेशन लिमिटेड,

मूर्खी के अंतर्गत स्थित कारखाने के नियमित कर्मचारियों को, उक्त अधिनियम के प्रवर्तन से 1 अप्रैल, 1982 से 30 सितम्बर, 1985 तक, जिसमें यह तारीख भी सम्मिलित है, अवधि के लिए छुट देते हैं।

2. उक्त छुट निम्नलिखित शर्तों के अधीन है, अर्थात् :—

- (1) पूर्वोक्त कारखाना, जिसमें कर्मचारी नियोजित है, एक रजिस्टर रखेगा जिसमें छुट प्राप्त कर्मचारियों के नाम और पदाधिकार दर्शात विए जाएंगे;
- (2) इस छुट के होते हुए भी, कर्मचारी उक्त अधिनियम के अधीन ऐसो प्रसुविधाएं प्राप्त करते रहेंगे, जिनको पाने के लिए वे इस अधिसूचना द्वारा दी गई छुट के प्रवृत्त होने की तारीख से पूर्व संबंध अभियांत्रों के आधार पर हकदार हो जाते;
- (3) छुट-प्राप्त अवधि के लिए यदि कोई अभियांत्र पहले ही संदर्भ किए जा चुके हैं तो वे वापस नहीं किए जाएंगे;
- (4) उक्त कारखाने का नियोजक उस अवधि की बाबत जिसमें दीर्घान उस कारखाने पर उक्त अधिनियम प्रवृत्त था (जिसे इसमें इसके पश्चात् उक्त अवधि कहा गया है) ऐसी विवरणियां ऐसे प्रारूप में और ऐसी विशिष्टियों सहित देगा जो कर्मचारी राज्य बोमा (साधारण) विनियम, 1950 के अधीन उसे उक्त अवधि की बाबत देनी थीं;
- (5) निगम द्वारा उक्त अधिनियम की धारा 45 की उपधारा (1) के अधीन नियंत्रित किया गया कोई निरेक्षक या इस नियमित प्राधिकृत निगम का कोई अन्य पदाधारी—
  - (i) धारा 44 की उपधारा (1) के अधीन, उक्त अवधि की बाबत दी गई किसी विवरणी को विशिष्टियों को सत्यापित करने के प्रयोजनों के लिए; या
  - (ii) यह अभिनियम करने के प्रयोजनों के लिए कि कर्मचारी राज्य बोमा (साधारण) विनियम, 1950 द्वारा यथा अपेक्षित रजिस्टर और अभिलेख उक्त अवधि के लिए रखे गए या नहीं;
  - (iii) यह अभिनियम करने के प्रयोजनों के लिए कि कर्मचारी, नियोजक द्वारा दी गई उन प्रसुविधाओं को, जो ऐसी प्रसुविधाएं हैं जिनके प्रतिकलस्वरूप इस अधिसूचना के अधीन छुट दी जा रही है, नकद और बस्तु रूप में पाने का हकदार बना हुआ है या नहीं; या

(iv) यह अधिनियम करने के प्रयोजनों के लिए कि उस अवधि के दौरान, जब उक्त कारखाने के संबंध में अधिनियम के उपबंध प्रवृत्त थे, ऐसे किन्हीं उपबंधों का अनुपालन किया गया था या नहीं।

निम्नलिखित कार्य करने के लिए सशक्त होगा—

(क) प्रधान नियोजक या अव्यवहित नियोजक से यह अपेक्षा करना कि वह उसे ऐसी जानकारी दे जो वह आवश्यक समझे; या

(ख) ऐसे प्रधान नियोजक या अव्यवहित नियोजक के अधिभोग में के कारखाने, स्थापन, कार्यालय या अन्य परिसर में किसी भी उचित समय पर प्रवेश करना और उसके भारसाधक व्यक्ति से यह अपेक्षा करना कि वह व्यक्तियों के नियोजन और मजदूरी के संबंध से संबंधित ऐसे लेख, बहियां और अन्य दस्तावेजे ऐसे निरेक्षक या अन्य पदधारी के संबंध प्रस्तुत करे और उनको परेक्षा करने दें या वह उसे ऐसी जानकारी दे जो वह आवश्यक समझे; या

(ग) प्रधान नियोजक या अव्यवहित नियोजक को, उसके अस्विकर्ता या सेवक को या ऐसे किसी व्यक्ति को जो ऐसे कारखाने, स्थापन, कार्यालय या अन्य परिसर में पाया जाए, या ऐसे किसी व्यक्ति को जिसके बारे में उक्त निरेक्षक या अन्य पदधारी के पास यह विश्वास करने वाले युक्तिरुक्त कारण है कि वह कर्मचारी है, परेक्षा करना; या

(घ) ऐसे कारखाने, स्थापन कार्यालय या अन्य परिसर में रखे गए किसी रजिस्टर, सेक्षन बहुं या अन्य दस्तावेज की नकल करना या उससे उद्धरण लेना।

[संख्या एस-38014/33/85-एस.एस. 1]

#### स्पष्ट कारक शब्द

इस मामले में छूट को भूलक्षण प्रभाव देना आवश्यक हो गया है क्योंकि छूट के लिए आवेदन देर से प्रस्तुत हुआ था। किन्तु, यह प्रमाणित किया जाता है कि छूट भूलक्षण प्रभाव देर से किसी भी व्यक्ति के हित पर प्रतिकूल प्रभाव नहीं पड़ेगा।

S.O. 377.—In exercise of the powers conferred by section 88 read with section 91A of the Employees' State Insurance Act, 1948 (34 of 1948), the Central Government hereby exempt the regular employees of the factory at Aurangabad belonging to the Indian Oil Corporation Limited, Bombay from the operation of the said Act for the period with effect from the 1st April, 1982 upto and inclusive of the 30th September, 1985.

The above exemption is subject to the following conditions, namely:—

- (1) The aforesaid factory wherein the employees are employed shall maintain a register showing the names and designations of the exempted employees;
- (2) Notwithstanding this exemption, the employees shall continue to receive such benefits under the said Act to which they might have become entitled to on the basis of the contributions paid prior to the date from which exemption granted by this notification operates;
- (3) The contributions for the exempted period, if already paid, shall not be refunded;
- (4) The employer of the said factory shall submit in respect of the period during which that factory was subject to the operation of the said Act (hereinafter referred to as the said period), such returns in such form and containing such particulars as were due from it in respect of the said period under the Employees' State Insurance (General) Regulations, 1950;
- (5) Any inspector appointed by the Corporation under sub-section (1) of section 45 of the said Act, or other official of the Corporation authorised in this behalf shall, for the purposes of—
  - (i) verifying the particulars contained in any return submitted under sub-section (1) of section 44 for the said period; or
  - (ii) ascertaining whether registers and records were maintained as required by the Employees' State Insurance (General) Regulations, 1950 for the said period; or
  - (iii) ascertaining whether the employees continue to be entitled to benefits provided by the employer in cash and kind being benefits in consideration of which exemption is being granted under this notification; or
  - (iv) ascertaining whether any of the provisions of the Act had been complied with during the period when such provisions were in force in relation to the said factory;

be empowered to—

- (a) require the principal or immediate employer to furnish to him such information as he may consider necessary; or
- (b) enter any factory, establishment, office or other premises occupied by such principal or immediate employer, at any reasonable time and require any person found in charge thereof to produce to such inspector or other official and allow him to examine such accounts, books and other documents relating to the employment of persons and payment of wages or to furnish to him such information as he may consider necessary; or
- (c) examine the principal or immediate employer, his agent or servant, or any person found in such factory, establishment, office or other premises or any person whom the said inspector or other official has reasonable cause to believe to have been an employee; or
- (d) make copies of or take extracts from any register, account book or other document maintained in such factory, establishment, office or other premises.

A. K. BHATTARAI, Under Secy.

नई दिल्ली, 21 जनवरी, 1986

का. आ. 442.—आंशोगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार मैसर्स वेस्टर्न कॉलकोल्ड लि. के प्रबंधतंत्र से संबद्ध नियोजकों और उनके कर्मकारों के बीच अनुबंध में निर्दिष्ट औंशोगिक विवाद में केन्द्रीय सरकार आंशोगिक अधिकारण, सं. 2, बंबई, के पंचाट को प्रशाशित करती है, जो केन्द्रीय सरकार को 14 जनवरी, 86 को प्राप्त हुआ था।

New Delhi, the 21st January, 1986

S.O. 442.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of Central Government Industrial Tribunal, No. 2, Bombay, as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Western Coalfields Limited, and their workmen, which was received by the Central Government on the 14th January, 1986.

#### ANNEXURE

#### BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 2 BOMBAY.

Reference No. CGIT-2/62 of 1985

#### PARTIES

Employers in relation to the Management of Ballarpur Colliery, Sub-area No. IV of Western Coalfields Limited

#### AND

Their workmen.

#### APPEARANCES

For the Employers : Shri P.S. Nair Advocate.

For the workmen : Shri M.B. Anchan, Advocate

Industry : Coal Mines

State : Maharashtra

Bombay, the 30th December, 1985

#### AWARD

By their order No. L-22012 (23)/85-D.V dated 29-8-1985 the following dispute has been referred for adjudication under Section 10 (1) (d) of the Industrial Disputes Act, 1947 :—

"Whether the management of M/s. Western Coalfields Limited, Wardha Valley Area in sub-Area No. IV Ballarpur Collieries, P.O. Pallarpur, Dist. Chandrapur is justified in awarding the punishment of demotion from the post of Overman to Mining Sirdar to the workman Shri M.V. Subramaniam with effect from 30-6-1984? If not to what relief the said workman is entitled to?"

2. The dispute arose because of the demotion of the workman from the post of Overman to the post of Mining Sirdar with effect from 30-6-1984.

3. By notice dated 26-10-1983 the concerned employees serving in Sastri Colliery of Western Coalfields Limited were called on duty in all the three shifts of 28-10-1983. It is alleged that on the said date the workman who was in the second shift did not report for duty nor did he furnish any

reason for his absence. In his capacity as Overman he was competent person who was expected on duty and should not have absented himself without previous permission. It was further urged that other Mining workers on the instigation of the workman had remained away from work. On these allegations a chargesheet was served on the workman dated 29-10-1983 and an enquiry was ordered during which enquiry the management examined S/Shri Z.I.S. Ratankumar, Overman, M.R. Sambre and Devendra Pocham, who stated that notice signed by the workman in his capacity as Secretary was circulated on 27-10-1983 requiring Overman, Sirdars, and shotfirers not to attend their duties on 28-10-1983. The evidence in this regard by the witnesses was allowed to go unchallenged and although the workman denied the charge and pleaded not guilty, placing reliance on the evidence of these witnesses, the Enquiry Officer held all the charges established and relying on his findings the Sub-Area Manager recommended the punishment of demotion to the post of Mining Sirdar which recommendation was accepted by the General Manager and ultimately the demotion took place giving rise to the present reference.

4. It is alleged by the Union who is espousing the cause of the workman by their statement of claim that the Manager of Sastri Colliery or the Sub Area Manager could not have taken any disciplinary action against the workman who was appointed by the General Manager and therefore the whole proceeding is vitiated. The fairness and reasonableness of the enquiry is also challenged and it is urged that no proper witnesses have been examined who in fact had knowledge in the matter and against this the witnesses under the thumb of the management were cited and produced. Reasonableness of the findings is also disputed so also the fairness of the order of demotion. It is further urged that no legal aid was granted which hampered the defence.

5. All these contentions have been refuted by the management by their written statement who fully supported the enquiry proceedings and the findings arrive at. It is further contended that the workman who is declared to be supervisor under the Mines Rules, being not a workman cannot raise dispute under the Industrial Disputes Act.

6. So far as the last contention is concerned the Union by the re-joinder has pointed out that by an Award which was published in the official Gazette dated 26-5-1956, Overman and Mining Sirdar were held to be holding the posts of skilled manual workers and therefore it is urged that this contention of the management cannot hold water. In all probability because of this legal position as the award is binding on the parties, at the time of framing of issues no issue was sought on this ground.

7. On the above pleadings the following issues arise for determination and my findings thereon are:—

Issues	Findings
1. Who is the competent and disciplinary authority whether the General Manager or the Manager or Sub-Area Manager?	General Manager
2. Was the Enquiry vitiated as stated by the workman?	No
3. Are the findings noted by the Enquiry Fair and proper and Officer fair, proper or are they perverse? not perverse.	
4. Can the question of punishment be gone into in the present reference?	No
5. Whether the order of demotion passed against the workman was justified?	Yes
6. If not to what relief the workman is entitled?	Nil

#### REASONS

8. It is contended that because he has been appointed by the General Manager no disciplinary action can be initiated either by the Manager or by the Sub-Area Manager and

lack of authority vitiated the whole proceeding. The record however shows, a fact admitted by the Union, that ultimately the order of punishment was passed with the approval of the General Manager who as the endorsement shows had agreed with the recommendations of the Sub-ordinate officer. The only contention against this by the Union is that there was no application of mind but when the General Manager agreed with the views of the Sub-Area Manager and approved the action, merely because no details were given no conclusion that there was no application of mind is permissible. Action shall be deemed to have been taken by the General Manager himself who was according to the Union the competent authority.

9. From the enquiry proceedings it is evident that all the three witnesses cited by the management were allowed to go unchallenged despite repeated cautioning by the Enquiry Officer. The workman did not ask for any legal aid but conducted the enquiry himself. When the evidence was allowed to go unchallenged particularly when the witnesses stated that they had come across the circular issued by the workman asking the colleagues not to report for duty on the relevant date, it would be now very much late in the day for the workman to state that the witnesses deposed falsely or that they stated something because of the pressure of the management. When the circular was issued by the Manager asking the workman to report for duty on 28-8-1983, it was the duty of the workmen including Overman to attend the duty. If the workman himself has remained absent without seeking prior permission and if he went further asking his colleagues not to report for duty not only he breached the lawful order by remaining absent but also deemed to have caused loss to the management as due to his absence no work could be undertaken. The defence therefore of the workman that he was unaware of the circular because he was on leave, in the light of the evidence and his own circular in his capacity as Secretary of the Union, cannot carry any force and the findings arrived at by the enquiry officer on going through the material brought on record must be held to be fair and reasonable and proper. I have already stated that the workman decided to plead his own cause and if therefore no aid was granted, he cannot find fault with the action of the management or with the enquiry and the resultant findings.

10. Once we come to this conclusion the punishment being demotion and not of dismissal Section 11A of the Industrial Disputes Act cannot be attracted but even if assuming that this Tribunal can interfere, on going through the material on record I am convinced that the order passed by the management is not at all harsh and disproportionate, on the contrary the misconduct required such type of action to curb similar tendencies. I therefore note my findings accordingly.

Award accordingly.

M. A. DESHPANDE, Presiding Officer

2. The nature of dispute indicates that the 63 workmen detailed in annexure were trainees during the period 7th November, 1983 to 27th November, 1983 and were being paid stipend but the Union who is trying to espouse the cause of the workman is demanding full wages as provided in the National Coal Wages Agreement-III.

3. Although the dispute is espoused by the Union and although the Union was served with the notice of hearing of the present reference and when it was incumbent on them to lodge statement of claim within the period stipulated, the Union failed to file the same. On the first occasion they sent a telegram and now also when the matter is fixed for hearing another telegram requesting to fix hearing at Nagpur on the ground of alleged financial inability. Now I can understand the request for hearing at Nagpur but then that stage would come only when there is compliance with all other formalities like filing of claim statement pleading the case of the Union and the workmen. If there is no statement of claim filed by the Union it means that they have no case and if there is no case there is no question of fixing the matter at Nagpur for hearing.

4. The management has filed written statement whereby they have pleaded that during the course of training the workmen concerned were trainees under the provisions of Mining Vocational Training Rule 1966 and it is further stated that under Rule 27 thereof the maximum stipend payable is Rs. 1.50 per day and in the absence of claim statement the facts stated are not contested. If this is the rule governing the conditions during the training period and if till the time of absorption these trainees merely are entitled to stipend, the question of application of National Coal Wages Agreement-III would never arise and in that case since the regulation stipulates and prescribes the stipend at a particular rate and if the management has disbursed the same according to that rate no fault can be found with the management and there could be no right to claim anything excess vesting with the workmen much less for the Union to espouse their cause. The issue therefore referred to has to be answered in the negative with the result that the workmen would not be entitled to any relief.

Award accordingly.

M. A. DESHPANDE, Presiding Officer

[No. L-22012(53)/84-DVI

का. आ. 444.—आर्थिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसार में, केन्द्रीय सरकार मैसर्स बेस्टन कोलकाइल लि. के प्रबंधतात्र में संबद्ध नियोजकों और उनके कर्मकारों के बीच अनुबंध में निर्दिष्ट आर्थिक विवाद में केन्द्रीय सरकार आर्थिक अधिकरण, सं. 2, बंडू, के पंचाट को प्रकाशित करती है, जो केन्द्रीय सरकार को 14 जनवरी, 86 को प्राप्त हुआ था।

S.O. 444.—In pursuance of section 17 of the Industrial Disputes Act 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, No. 2, Bombay, as shown in the Annexure, in the Industrial Dispute between the employers in relation to the management of Western Coalfields Limited and their workmen, which was received by the Central Government on the 14th January 1986.

## ANNEXURE

## BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 2, BOMBAY.

Reference No. CGIT-2i64 of 1985

## PARTIES:

Employers in relation to the management of Western Coalfields Limited and their Workmen.

## APPEARANCES:

For the Employers.—Shri P. S. Nair, Advocate.

For the Workmen.—No appearance.

INDUSTRY : Coalfields STATE : Maharashtra

Bombay, the 30th December, 1985

## AWARD

By their order No. I-22012(55)84-D.V dated 3-9-1985 the following dispute has been referred for adjudication under Section 10(1)(d) of the Industrial Disputes Act, 1947:—

“Whether the action of the management of M/s. Western Coalfields Limited, Wardha Valley Area, Ballarpur Collieries 3 & 4 pits Sub-Area No. 4, P.O. Ballarpur, Distt. Chandrapur (MS) is justified in terminating the services of the workman Shri Ram Bharose, Slo Shri Kalidin T.C.L. with effect from 19-4-1984? If not, to what relief the workman is entitled?”

2. As the dispute stands it relates to the termination of services of a workman and the question to be considered is whether the termination is justified.

3. By their statement of claim the contention of the Union who is espousing the case of the workman is that because the workman fell ill and underwent treatment in the Chandrapur Central Hospital he could not attend the duties. It is stated that he sent representation to which no reply was received, therefore he took that the request was granted as the workman could not attend for duty. The workman or the Union did not receive any communication dated 4-4-1984 and further complains of the termination without following proper procedure and without holding enquiry.

4. All these contentions have been refuted by the management who says that the workman was never a regular attender and right from the year 1979 to 1984 he has worked for considerably less number of days by remaining absent on several days, that from 19-2-1984 he again remained absent although on previous occasion warning was issued and therefore on 4-4-1984 he was asked to show cause as to why he should not be treated as a deserter. He was also informed that if nothing is heard within seven days he would be declared as deserter having terminated his contract of service. However, it is alleged, that though the letter was posted by registered post no reply was received and therefore the workman was treated as deserter and termination was brought about. The management admits that no independent enquiry was held as it would not have served any purpose and therefore sought permission to prove the misconduct as alleged.

1414 GI/85—19

5. On the above pleadings the following issues arise for determination and my findings thereon are:—

## ISSUES

## FINDINGS

(1) Does the Management establish the misconduct as alleged?	Yes
(2) Whether the order of termination was justified?	Yes
(3) If not, is the workman entitled to any relief?	Does not arise.
(4) What award?	As per order.

## REASONS

6. In support of charge of absenteeism the management examined the Senior Personnel Officer who says that from time to time whenever the workman remained absent letters were sent by registered post some of which were returned by the postal authorities with an endorsement that the addressee was not found although they were sent to the address of home town as declared by him and no steps were taken by the workman to get the address changed. The witness further says that the workman never applied for leave nor sent any medical certificate till the time the order of termination was issued and it was for the first time before the Conciliation Officer a copy of the application dated 22-2-1984 and another dated 12-5-1984 were produced though according to the witness no such application was at any time received. He also remained absent without permission on the days as stated in the preceding years. All this evidence was allowed to go unchallenged as neither the Union nor the workman was present and there is no reason to disbelieve the words of the Senior Officer. The net result is that the workman as record stands was habitually remaining absent and that he had remained absent continuously for more than ten days on the last occasion which led to the declaration as deserter and ultimately to the termination of service. In the light of evidence as it stands which is unchallenged the misconduct must be held to have been proved and if the workman is not interested in the service as seen from the record, there is no reason to order reinstatement and the termination becomes justified requiring no relief to be given to the workman.

Award accordingly.

M. A. DESHPANDE, Presiding Officer

2. The facts as emerge out from the written statement of claims and various rejoinders filed by the parties are that Food Corporation of India was formed and divided into various zones. The Western Zone comprises of three Provinces viz. Maharashtra, Gujarat and Madhya Pradesh. In the Western Zone F.C.I. started the work first and started recruiting employees in various categories sometime in 1966. Thereafter the work and the recruitment of the employees was started in Maharashtra and Gujarat somewhere in the year 1969. Zonewise seniority was to be considered.

3. The case of the workmen is that the seniority of the Western Zone was to be prepared on the basis of date of initial appointment of the employees in various offices in the Western Zone. However, without any justification employees of the Western Zone who were appointed and were working in Maharashtra and Gujarat were put senior to the employees of the Madhya Pradesh who were appointed earlier than the employees of the Maharashtra and Gujarat which is apparent from the gradation list which was prepared and circulated for the Western Zone on 26-4-1980. Not only this but without any justification and reason the management of the Food Corporation of India in the Western Zone gave at random date of seniority of the employees of Madhya Pradesh as shown in the Annexure of the order of reference, while the employees of Maharashtra and Gujarat were given seniority from the date they were initially appointed. This amounts to discrimination.

4. Further employees of the Madhya Pradesh though given the benefits of their past services for purposes of increment

in the grade including financial benefits but they were deprived of their seniority over the Gujarat and Maharashtra employees.

5. Firstly the employees of Madhya Pradesh were eligible for the appointment and they were duly recruited through the Employment Exchange. In any case, the eligibility is irrelevant since the competent authority was empowered to relax the qualifications for the appointment of the employees. In any case, their services have been regularised from the date of initial appointment. The employees of the Maharashtra and Gujarat were also having either equal or less qualification.

6. Management of the Food Corporation of India assured the Union and its members for consideration of the said demand and thus is responsible for delay for taking decision of such a matter. Any way, the relief to the workmen cannot be refused simply on the ground of delay.

7. The defence of the management through their statement of claims and rejoinder appears to be as under:

(i) That the Food Corporation of India in Madhya Pradesh came into existence on 15-11-1966 and that the recruitment in Madhya Pradesh was earlier to Maharashtra and Gujarat. The seniority of the employees of Madhya Pradesh was fixed as it has been fixed for the following reasons:—

- (a) That they were not sponsored through the Employment Exchange at the time of their initial appointment;
- (b) That their initial appointment was either on ad hoc basis or on the work charge basis or on purely contractual basis for a limited period due to exigency of work. Their services were terminated number of times. Thus there was no continuity of service in respect of these employees;
- (c) That they were not appointed on regular posts and some of the posts lapsed for want of sanction;
- (d) That they were not recruited by the competent authority;
- (e) That the employees of Madhya Pradesh were appointed though they did not possess the necessary qualifications which were as under :—

(I) For the post of A.G. III Graduate below 25 years.  
(II) Category IV Middle Standard below 25 years.

(III) Typist Matriculate with a speed of 40 words per minute below 25 years.

- (f) That it is true that the competent authority could relax the qualifications etc. but in the absence of such relaxation their ad hoc appointment were treated as irregular;
- (g) That it is well settled that promotion etc. which have been effected and become final taking into consideration the seniority already fixed cannot be reopened. These workmen having acquiescent in the action of the management are estopped and their claim is belated.

(ii) However, taking into consideration that they had worked for a very longer period a lenient decision was taken by the management of the Food Corporation of India and the competent authority ordered that their services may be regularised from the date on which such decision was taken. The case of the employees employed in Maharashtra and Gujarat and other places is not similar to the present employees. The concession granted to count the broken period of their services for fixation of initial pay was on the humanitarian ground and it does not give them any right to the seniority.

9. My learned predecessor framed the following issues which with my reasons and findings are as under:—

#### ISSUES

(1) Whether the action of the management of Food Corporation of India, M.P. Bhopal in giving the seniority to workers whose names are mentioned in the Schedule from the date shown against them and not from their actual dates of initial appointment is justified? If not, to what relief the workmen concerned are entitled?

(2) Relief and costs?

10. Issue Nos. 1 & 2:—In support of their case one of the workmen, Shri B. P. Pande, gave his statement and relied on the proceedings of meeting of A.I.C.G.F.E.A. of Madhya Pradesh Region held in the Regional Office, Bhopal with the officers of the management and the representatives of the Association. Ex. W/1 to Ex. W/3 respectively dated 25-7-73, 4-9-75 and 16-10-75. Ex. W/4 is the order of Regional Manager, Ahmedabad (Gujarat) dated 7-2-1969 appointing Shri K. Ravindra Nair. Ex. W/5 is the office order dated 17-4-1981 of the Regional Office, Bhopal confirming 39 officials after completion of probation with effect from various dates in 1977. Ex. W/6 is the similar order of the Regional Office of Ahmedabad dated 2-3-1971 confirming certain officials in 1970 and 1971. Ex. W/7 is the regularisation office order dated 25-4-1978 of the Regional Office, Bhopal, with the annexed list. The present workmen were regularised from the various dates vide this order and it was from those dates that their seniority was counted.

11. On the other hand, the management only examined one Shri B. N. Joshi, Asstt. Manager (P) of Regional Office Bhopal. He neither produced any record of the Madhya Pradesh employees or the Gujarat and Maharashtra employees regarding the nature of their work, terms of appointments, qualifications, the post of officials who appointed them etc. The contention on behalf of the management is that the burden was on the workmen to produce the record and that they having failed to discharge the burden their case should be dismissed. I am of the opinion that since both the parties lead evidence the question of burden of proof becomes immaterial. The record of appointment etc. of the entire Western Zone must be with the management and they should have placed all the record before this Tribunal to enable it to arrive at a decision based on record. Failure of the management to adduce such a evidence raises an adverse inference against them.

12. It is true that in their statement Shri B. P. Pande (W.W.1) and Shri B. N. Joshi (M.W.1) performed the oral exercise of insisting upon their stand on various grounds alleged by them but the same does not solve the problem. I will, therefore, examine the case on the preponderance of probability on the basis of scanty evidence produced before me.

13. Reasons for not giving seniority 3(a) to (f):—These reasons and the grounds are pleaded by the management. Therefore as already said the burden was on the management to substantiate its stand but no service record of the Western Zone has been produced to show that the present workmen were not sponsored through the Employment Exchange, their appointment was on ad hoc basis etc. They were not appointed on regular post and some of the post lapsed and they did not possess the necessary qualifications prescribed for various posts.

14. However, the workmen have produced scanty evidence at their disposal. The office order (Ex. W/5) dated 17-4-1981 of the Regional Office, Bhopal, stating that on completion of probation and as per F.C.I. Regulation 15 the officers mentioned therein are confirmed from the date and on the post indicated against each. This further shows that almost all of them were appointed in the year 1966 and they were confirmed from various dates in the year 1977. This rules out that the appointment of all the employees of the Madhya Pradesh Region were not made on regular post etc. and some of them lapsed for want of sanction. It also rules out that the appointment was on ad hoc or work charge or purely contractual basis for a limited period. It has been pointed out that Shri B. P. Pande

(W.W.1) has admitted that persons mentioned in the Schedule were appointed on ad hoc basis. The terms of appointment contained a clause that services were liable to be terminated at any time after giving three months notice. To my mind this alone does not prove the stand taken by the management. Shri V. N. Joshi (M.W.1) has admitted in his cross-examination that whenever the appointments are made we always write that they are on ad hoc and temporary basis. This appears to be correct statement of fact. This procedure was also followed in the case of appointments even in Gujarat as is apparent from the appointment order of the Regional Office, Ahmedabad (Ex. W/4) dated 7-2-1979 in the case of Shri A. Ravindra Nair. In this order it has been mentioned that his services are liable to be terminated at any time without notice or assigning any reason as this is purely temporary and ad hoc appointment. This at least shows that the appointment even in Gujarat were of the same nature i.e. ad hoc or temporary as alleged to have been made in Madhya Pradesh Region. But this does not prove that the same were for a limited period or they were not regular posts. True that Shri A. R. Nair was sponsored by the Employment Exchange but that does not lead to inference that in Madhya Pradesh appointments were not made through the Employment Exchange. Appointment of Shri A. R. Nair was made by the Assistant Manager for Regional Manager. However, in case of M.P. it is urged that the recruitment and appointments made by the Asstt. Manager were not by the competent authority. But no such instance has been proved. Ex. W/6 is the office order dated 2-3-1971 of the Regional Office, Ahmedabad goes to show that seven employees were appointed on probation of one year and after the said period they were confirmed. This shatters the stand of the management that appointment and conditions of service of the employees of Maharashtra and Gujarat were different than those of Madhya Pradesh employees. If the employees appointed in Maharashtra and Gujarat on ad hoc and temporary basis on probation could be confirmed after due date why not the employees of the Madhya Pradesh Region?

15. In this regard it has been contended that they were not sponsored through the Employment Exchange, they did not possess the necessary qualifications and there was no continuity of their service. This contention falls to the ground like the pack of cards, once it is admitted and proved that their services were regularised for all purposes except the seniority. Ex. W/7 is the office order dated 25-4-1978 of the Regional Office, Bhopal, which is reproduced below:—

“Consequent on regularisation of services w.e.f. the date of initial appointment vide office order No. A/1(9)/77 dated 29/30-11-77, 10-1-78, 1-12-77 and order No. A/1(1)/77-78 dated 10-1-78, the break period of the officials is hereby regularised as leave as per entitlement as per details indicated in the enclosed statement.

They are entitled for arrears of pay as a result of regularisation of break period.”

This goes to show that the services of employees mentioned in the annexed list numbering 33 of the M.P. Region were regularised relaxing all their disqualifications, if any, and specially including the “break period” as far as back as the year 1978. Thus the management has no legs to stand on these footings.

16. Ground No. 3(g):—It has been contended on behalf of the management that their services were regularised from the date of the order, therefore they are not entitled to the seniority over and above the employees of the Maharashtra and Gujarat who have already been promoted and their seniority finalised. This contention is without any backbone. Once the disqualifications are relaxed and their services were regularised the same will date back from the date of their appointments and not from the date of the order.

17. In this connection, it is pertinent to note that Shri B. P. Pande (W.W.1) has stated that there were so many persons in Madhya Pradesh also who were given seniority from the date of their appointments. This was according to the office order dated 17-4-1981 (Ex. W/5). Ex. W/5 goes to show that they were confirmed in the year 1977. If

certain employees could be confirmed and their seniority given why not the workmen whose cases are not proved to be different?

18. As a last resort it has been contended that the present workmen did not represent their case earlier and they thus acquiescent in the action of the management therefore they are estopped from challenging the same. In any case, the cases of Maharashtra and Gujarat are final. For this their claim should be rejected as belated.

19. Firstly, it is not proved on behalf of the management that the present workmen slept over the matter and did not agitate the same at the appropriate time. In this connection, it is pertinent to note that the office order Ex. M/1 dated 27-8-70, Ex. M/2 dated 12-11-70 and Ex. M/3 dated 18-11-71 are on record. These office orders go to show that the Union had been representing their cases. In the circumstances, it cannot be said that the present workmen were sleeping or had acquiescent in the action of the management. Their cases were represented by the Union. This is also borne out from the proceedings of the meeting of the officials of M.P. Region with these of the representatives of the Union (Ex. W/1) dated 25-7-1973, (Ex. W/2) dated 4-9-1975 and (Ex. W/3) dated 10-6-1975. These documents go to show that the workmen had been representing their cases right from 1970 onwards through their Union. Ex. M/1, the office order of the Food Corporation of India, further goes to show that there were posts in existence in Madhya Pradesh Region. In view of this, the contention of the management that the posts were for a limited period, irregular and some of them lapsed for want of sanction is not true.

20. For the reasons discussed above, I hold that the action of the management of the Food Corporation of India, M.P., baul in giving seniority to the workers whose names are mentioned in the Annexure from the dates shown against them and not from the actual date of appointment is not justified. Therefore they are entitled to the seniority from the actual date of their initial appointments. The reference is answered accordingly. No order as to costs.

Date : 16-1-1986.

#### AWARD

Dated, January 7, 1986

In exercise of the powers conferred by Clause (d) of Sub-section (1) and Sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, the Central Government in the Ministry of Labour has referred the following dispute for adjudication, vide Notification No. L-12012(17)/85-D. (V) dated 3rd October/13th November, 1985 :—

“Whether the action of the management of M/s. R. B. Traders, Contractor of Central Coalfields Limited, Jayant Project, Distt. Sidhi (M.P.) is justified in stopping from work Shri Jagdish Mahato, Mazdoor with effect from 1-2-1985 ? If not, to what relief the workman concerned is entitled ?”

2. On receipt of the reference order parties were noticed to file their statement of claims on 7-1-1986. But in the meantime good sense prevailed in parties and they have sent a compromise petition along with application requesting that an award be passed in terms of the settlement arrived at between them. Today Shri Ramnik Gupta, General Secretary of the Union and the workman concerned appeared before this Tribunal and verified the terms of the settlement which are as under :—

- (i) M/s. R. B. Traders, Contractors will pay a sum of Rs. 3000 to Shri Jagdish Mahato in full and final settlement towards his wages.
- (ii) Shri Jagdish Mahato will also get the benefit of the settlement arrived at between the parties on 4-12-1985 viz. Arrears of wages towards Bonus under Payment of Bonus Act, 1965 and difference of wages between NCWA III and actual wages.
- (iii) Shri Jagdish Mahato will not be entitled to any other relief against M/s. R. B. Traders.
- (iv) M/s. R. B. Traders will pay the amount to the workman by 20th January 1986.

3. I have gone through the terms of the settlement and am of the opinion that they are fair, reasonable and in the interest of the workman concerned. I, therefore, record my award accordingly. There will be no order as to costs.

V. S. YADAV, Presiding Officer

New Delhi, the 22nd January, 1986

S.O. 447.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government

hereby publishes the award of the Central Government Industrial Tribunal, No. 2, Bombay, as shown in the Annexate, in the industrial dispute between the employers in relation to the management of Western Coalfields Limited and their workmen, which was received by the Central Government on the 14th January, 1986.

## ANNEXURE

## BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, NO. 2, BOMBAY.

Reference No. CGIT-2/63 of 1985

## PARTIES

Employers in Relation to the Management of Western Coalfields Limited

and

Their Workmen

## APPEARANCES

For the Employers—Shri P. S. Nair, Advocate.

For the Workmen—Shri D. V. Ganeal, Advocate

INDUSTRY : Coal Mines STATE : Maharashtra.

Bombay, dated the 10th December, 1985.

## AWARD

By their order No. I-22012(64)/84-D.V. dated 29-8-1985 the following dispute has been referred for adjudication under Section 10(1)(d) of the Industrial Disputes Act, 1947.—

“Whether the action taken by the management of M/s. Western Coalfields Limited, Wardha Valley Area No. 2, Post Office Ghugus, Distt. Chandrapur (MS) through the Manager, Nakoda Open-cast Colliery in awarding punishment of dismissal from service with effect from 28-4-1984 to the workman Shri Vishnu Shinde, Dozer Operator is justified? If not to what relief the workman is entitled for?”

2. The workman concerned an ex-military service man who served the military from 12-11-1962 to 31-3-1978 and on discharge from the military by their order dated 26/27-12-1978 he was appointed as trainee Dozer Operator, an order signed by the Deputy Personnel Manager. Subsequently he was transferred to Wardha Valley Area and was posted in Nakoda and Ghugus Collieries on 10-5-1982. At the relevant time i.e. 29-5-1983 when the incident is alleged to have occurred he was an employee serving at Nakoda Open-cast Colliery. On the night of incident one Shri Navnath Belekar on return from leave reported for duty in the third shift i.e. night shift when he was scheduled to appear in the second shift were upon Engineer Shri Dilip Shenmare initially refused to allow him to join his duty but after some exchange of talk, the officer relented and agreed to allow him to join duty on condition that commencing from 30-5-1983 he should also work in the second shift. It seems that the workman Shri Shinde who was an office-bearer of the Branch Union, having learnt about the reluctance of Shri Shenmare to allow Shri Belekar to join duty, approached the said officer and tried to prevail upon him to allow Shri Navnath Belekar to join duty. However, this interference by the union man was not to the liking of the officer and he said some bad words which infuriated the workman and the whole incident started. It is alleged that at the said time when concerned workman i.e. Shri Vishnu Shinde was asked by Shri Shenmare to attend to his duties, the workman did not obey the said lawful order and behaved in a very arrogant manner. It is further alleged that he i.e. the workman assaulted Shri Shenmare and he made the Engineer along with Shri G. P. Verma, Mining Sirdar and Shri Durga Shankar Tiwari, another Mining Sirdar to sit in RC Office and confined them for 2-1/2 hours and did not allow them to go out and further instigated the workers of Nakoda Open-cast Colliery not to go on their duty on account of which instigation the work was stopped for three hours. It is alleged that the workman had threatened S/ Shri V. M. Dahule, R. C. and Krishna Ban, General Muzdoor that if the matter would be reported to the higher authority they would face dire consequences.

3. On these allegations an enquiry was ordered by the Colliery Manager who issued chargesheet under his signature. Shri K. K. Srivastava, Senior Personnel Officer was appointed as Inquiry Officer and Shri V. K. Bhatnagar, Senior Executive Engineer was to act as Presenting Officer during the enquiry, during the course of which the management examined Shri Dilip Shenmare, Executive Engineer, Shri G. P. Verma, Mining Sirdar, Shri Durga Shankar Tiwari, another Mining Sirdar, Shri Waman Mahadeo Dahule, Register Keeper and Shri Krishna Ban, General Muzdoor, all eye witnesses. Against this the workman examined himself but expressed his inability to cite any witness on his behalf alleging that nobody was prepared to come forward. Ultimately on going through the enquiry record, the Inquiry Officer held all the charges established and submitted the report accordingly, on going through which the Manager Nakoda Open-cast Colliery agreeing with the findings recommended dismissal of the workman with which the Project Officer also concurred and finally by order dated 26-4-1984 the Colliery Manager ordered the dismissal of the workman with the approval of the Sub-Area Manager.

4. The Union who has filed claim statement on behalf of the workman challenges the order of dismissal and attacks the fairness and justness of the enquiry. It is alleged that no copy of complaint was furnished to the workman, no Hindi translation of the certified Standing Order was also furnished and the copy of the complaint was given much after the enquiry started namely on 30-5-1983. It was alleged that the Manager, Nakoda Open-cast Colliery was not the appointing authority and therefore he could not have acted as disciplinary authority. The workman in this regard tried to challenge the very order of enquiry and issue of chargesheet by filing Writ Petition in the High Court but I am given to understand that the same was subsequently withdrawn. It is alleged that during the course of suspension the subsistence allowance was reduced from 3/4th to 1/4th per month with effect from 1-9-1983 and this it is alleged amounted to harassment. It is further urged that there was a request made by the workman for engaging a lawyer to defend himself during the enquiry which request was turned down, thereby violating the principles of natural justice and that he was pitted against legally trained officers of the colliery. It is further urged that during the enquiry the workman did not get sufficient time to prepare his defence which hamstrung his defence. The workman further says that the evidence of Shri Shenmare, Executive Engineer was recorded when all other witnesses were allowed to sit in the room where the proceedings took place rendering the enquiry to be a farce. The workman further complains that a tense atmosphere was created with the result that nobody was prepared to come forward to support the workman. It is further urged that all the witnesses cited by the management were interested witnesses and in the absence of independent witnesses, the Enquiry Officer should not have placed reliance thereon. It was urged that when the evidence itself disclosed that Shri Shenmare had abused the workman by calling him ‘bloody’ which sparked off the whole incident and when the workman protested against it, the whole version was concocted to implicate the employee. It is urged that the approval by the Sub-Area Manager does not satisfy the provisions of the Standing Orders and therefore the dismissal is rendered illegal. Lastly, it is urged that the Manager and the Sub-Area Manager both being subordinate authorities to the appointing authority of the workman they had no power to function as disciplinary and punishing authority and therefore the punishment awarded is also void and without legal effect. The authority is also alleged to have not considered the past record and lastly it is urged that the punishment of dismissal depriving the workman of his livelihood, is disproportionate and harsh and therefore not maintainable.

5. By the written statement all these averments have been denied and it is alleged that serious charges were levelled against the workman who is stated to have assaulted his superior officer and confined him in a room for about three hours and on proof of charges as reported by the Enquiry Officer, the Project Officer with the previous approval of the Area Manager, who is the Agent, the order of dismissal was passed which looking from any angle can never be said to be harsh and disproportionate.

6. On the above pleadings the following issues arise for determination and my findings thereon are :—

Issues	Findings
1. Who is the appointing and disciplinary authority of the workman concerned ?	Sub-area Manager
2. Whether the action taken against the workman is legal and valid ?	Yes
3. Was the enquiry fair and proper ?	Yes
4. Are the findings noted by the Enquiry Officer fair, reasonable and proper ? Or are they perverse ?	
5. Was the enquiry vitiated ?	No
6. Whether the certified Standing Orders are applicable or the workman is governed by Model Standing Orders ?	Does not make any difference.
7. What is its effects	Nil
8. Is the order of punishment harsh and disproportionate ?	Yes
9. Was the order of dismissal justified ?	No
10. Is the workman entitled to any relief ?	Yes as per order.
11. What award ?	As per order.

#### REASONS

7. It is an admitted fact that the Sub-Area Manager under the delegation of powers effected by circular dated 7/10-6-1974 is empowered to recruitment of all the posts which are monthly paid and therefore in the case of the workman in question, he can be termed as appointing authority. May be that his order of appointment is signed by the Deputy Personnel Manager but in his capacity as appointing authority if the final action is taken with his i.e. Sub. Area Manager's approval, no infirmity in this regard can remain.

8. I have already referred to the fact that the enquiry was held by the Senior Personnel Officer and the Presenting Officer was the Senior Executive Engineer. It seems that the Enquiry Officer is a legally trained person but not so the Presenting Officer and therefore merely because legal aid was not permitted it cannot be said that any prejudice is caused to the workman who was being defended by co-worker. It is not the case where the delinquent was pitted against the legally trained persons. Legal knowledge of the Enquiry Officer, instead of working against the workman, must have been beneficial to both parties and therefore that factor is of no help to the employee nor the ratio in the case reported in 1983 (1) L.I.J. page 1 (The Board of Trustees of the Port of Bombay Vs. Dilipkumar Reghavendranath Nadkarni and others) would be attracted.

9. On receipt of the findings of the Enquiry Officer holding workman guilty on all charges, the Manager Nakoda Opencast Colliery recommended the dismissal of the workman from service and accordingly with the approval of the Sub Area Manager, SA No. 2, Wardha Valley Area, the Colliery Manager ordered the dismissal. The appointment of the workman no doubt seems to have been made by the Deputy Personnel Manager by his order dated 26/27-12-1978 and the Manager of Nakoda Opencast Colliery by his order dated 10-5-1982 allowed the workman to join his duty as Dozer Operator on transfer. Yet when ultimately the order of dismissal as we have already seen was passed with the approval of the Sub. Area Manager, who is defined as appointing authority, being the highest authority in the region must be held to be entitled to order dismissal.

10. The workman was allowed to be defended by the co-worker and although legal aid was denied in the first place there is no illegality as it was as per rules and secondly there is absolutely no evidence to hold that any prejudice

was caused. A dispute then was tried to be raised whether the Certified Standing Orders are applicable or the Model ones but even if the workman is governed by the Model Standing Orders, looking to the misconduct alleged it is not going to change the fate of the proceeding. There is also no force in the contention that witnesses were allowed to sit in the same room where Shri Shenmire was examined. An objection does not seem to have taken and so now this plea will not be available.

11. Everything therefore depends upon whether the findings of the Enquiry Officer was reasonable and proper and secondly whether the ultimate order of dismissal was harsh and disproportionate. During the course of enquiry the management examined Shri D. Shenmire, Executive Engineer, Shri G.P. Verma, Shri Durga Shankar Tiwari, Mining Sirdars, Shri W.M. Dahule, Register Keeper and Shri Krishan Ban, General Mazdoor. All these witnesses supported fully the case of the management namely that the workman assaulted Shri Shenmire, did not allow these persons to leave the office and prevented them from making report and expressed that till the matter was over no work shall proceed. I have gone through the statements of each and every witness and I do not find anywhere as to why the witnesses should have stated anything falsely against the workman who claims to be an active union leader. Apart from this evidence, it is even admitted by the delinquent workmen in his statement although he denied the charge. From the record and also from the oral evidence it seems that one workman namely Shri Navnath Belekar on return from leave was to attend the second shift as per the notice, but had appeared during the night shift and therefore Shri Shenmire, the Engineer was reluctant to allow him to join duty but after some talk it seems he relented and allowed him to attend the duty but insisted upon his presence on the next day in morning shift. The workman says that Shri Navnath Belekar when he found the Engineer-in-Charge reluctant to allow him to join duty approached him i.e. workman and therefore he had tried to persuade the officer whereupon enraged by the interference the officer asked the Dozer Operator to act as leader outside the mines. So far as the witnesses are concerned it is admitted that the officer used the word 'bloody' whereby the ex-serviceman appears to have lost his balance and started belabouring the Engineer which led to whole row. It is however strange that when the workman himself was examined, in his evidence he did not say anything about the user of the bad word by the Engineer and on the contrary in cross-examination he is specific in saying that Shri Shenmire did not use any such bad word. However, when the management witnesses themselves have said about this whatever may be the version of Shri Shenmire or of the workman, I am convinced that the whole row was on account of the user of the word 'bloody' by the Engineer.

12. The record also shows that after sometime when Shri Shenmire and the workman discussed the matter amongst themselves they came to terms, both of them expressed that they would work together and would not allow the work to suffer. It was also agreed, it seems, that the parties decided not to report the matter to the superior officer.

13. It is therefore evident from the evidence that the workman did assault the Engineer, confined him and others for sometime and the work of the shift was disrupted for sufficiently long time. This normally should have proved the charges but the Enquiry Officer seems to have not taken into account the reason behind the whole row namely the user of bad word by Shri Shenmire. May be that no outsider normally should have interfered but we cannot loose sight of the fact that he is a union leader and therefore if he tried to represent the case of his colleague, the officer should not have taken it in any bad light. These persons were working in a mine and in addition, the workman himself is a ex-serviceman and it is just possible that because of bad word, his re-action was violent. Taking all these factors into account although I am convinced that the findings noted by the Enquiry Officer are fair, reasonable and proper and to no other findings anybody could have arrived at, still the other factors already discussed are bound to have far reaching effect on the ultimate punishment. If the workman's intervention as an union office bearer was not uncalled for, atleast not illegal, the user of bad word must be held to be improper and even the officer ultimately who relented had to seek compromise in the matter. In these circumstances to

ask the workman to go home is a punishment to my mind disproportionate and harsh.

14. No doubt even after Shri Shenmire compounded the matter with the workman, the management was competent to take action for the purpose of maintaining discipline and even if the aggrieved parties tried to hush up the matter, it resulted in enquiry. The action therefore of issuing charge sheet and holding enquiry taken by the management or the superior officers can never be said to be by way of harassment. Yet taking into consideration the whole matter in the proper perceive, I am convinced that the order of dismissal cannot stand. That the workman was guilty of misconduct and he acted in a way he should not have done must be taken into account but even then for the reasons stated some light punishment would meet the ends of justice. I therefore set aside the order of dismissal, at the same time by way of punishment hold that the workman from the date of dismissal till the time he rejoins service shall be treated as on special leave without pay and there shall also be stoppage of two increments with permanent effect. The monetary loss would be a sufficient punishment and shall act as a deterrent. To curb repetition of such tendency it is further ordered that the workman shall also express written apology and give undertaking before he joins duty that he shall not indulge in such type of misconduct in future.

Award accordingly.

New Delhi, the 22nd January, 1986

S.O. 448.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1957), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Kanpur as shown in the Annexure in the industrial dispute between the employers in relation to the Union Bank of India and their workmen, which was received by the Central Government on the 7th January, 1986.

BEFORE SHRI R. B. SRIVASTAVA, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, KANPUR

Reference No. L-12012/278/81-D.II(A) dt. 19-12-81

Industrial Dispute No. 192 of 1981

In the matter of dispute between

Shri M. L. Kureel son of Shri Dijoni Ram Kureel, presently residing at village Gonia, Post Office Kaittha, District Kanpur Dehat (Uttar Pradesh).

AND

The Deputy General Manager, Union Bank of India, Union Bank Building, 239, Backbay Reclamation, Bombay-21.

APPEARANCE:

Shri Satpal—representative for the Management.

Shri B. D. Tewati—representative for the workman.

## AWARD

1. The Central Government Ministry of Labour, vide its notification no. L-12012/278/1-D.II(A) dated 19th December, 1981, has referred the following dispute for adjudication:—

Whether the action of the management of the Union Bank of India in dismissing Shri M. L. Kureel, an Ex-cashier/Godown Keeper at then Hotel Clark's Awadh Branch, Lucknow, with effect from 17th May, 1977 is justified? If not to what relief is the workman concerned entitled?

2. It is common ground that the workman was working as Cashier/Godown Keeper at the management's Hotel Clark's Awadh Branch at Lucknow. The workman submitted medical reimbursement receipt bill from a private doctor Asad Mukhtar Siddiqi of Morad Ali Lane, Lucknow dated 22-10-74 which is Ext. M-1 on record, for Rs. 152 and the workman was reimbursed only Rs. 135, being the maximum balance to his credit, while verifying the medical bill subsequently the branch manager observed that the original bill appears to be for Rs. 52 only and figure (1) has been added in front of figure (5) to read it as 152, thus inflating the bill of Rs. 52 by the Rs. 100 so as it may read as Rs. 152. In order to ascertain as to what was the correct position, the bank's vigilance Officer Shri P.K. Pal and accountant of the branch Shri P. K. Jain met Dr. Asad Mukhtar Siddiqi personally to verify the correct amount of the bill. The doctor after referring his record informed that he had received only Rs. 52 only from Shri M. L. Kureel and had issued bill for that amount only. Pursuance of his statement he issued a fresh certificate dated 6-11-74 clarifying his statement given by him in writing and the said statement is Ext. M-3. He gave certificate to the following effect :

This is to certify that Shri M. L. Kureel Cashier Union Bank of India, Lucknow was under my treatment from 17-9-74 to 3-10-74 suffering from peptic ulcer. I received only Rs. 52 during treatment for medicine and injection. This was my full bill and I have not received Rs. 152 as mentioned in medical certificate issued to him on 22-10-74. The figure (1) was not my writing. The amount has been inflated by one hundred.

3. The workman Shri Kureel has admitted having received Rs. 135 on the basis of bill for Rs. 152 submitted by him. Consequently the workman was called upon to explain the above discrepancy on which the workman submitted a letter written by Dr. Asad Mukhtar Ext. W-1 dated 22-12-74 stating that initially he had given a bill for Rs. 52 only for the treatment of workman from 17th September, 1974. As he had treated the workman from 2nd May to 28th May, 1974 for which a bill of Rs. 163 was outstanding and thus the total of both bills was Rs. 155 hence given the bill for Rs. 152. The said certificate reads as follows :

This is to certify that Mr. L. Kureel Cashier Union Bank of India Hotel Clark's Awadh Lucknow peptic ulcer was under my treatment in 17th September, 1974 which bill I gave Rs. 52 amount.

Mr. Kureel was also under my treatment in the month of May, 1974 which continued from 11 May, 1974 to 28th May, 1974. I received the cost of the medicine during the treatment Rs. 103. So that grand total of both payment was Rs. 155. So I have given 152 rupees bill to Mr. Kureel.

4. The management not being satisfied with the explanation of the workman issued a charge sheet dated 4-4-75 to the following effect

On the basis of the certificate issued by Dr. Siddiqi Dt. 26-12-1974. It is apparent that Mr. Kureel had altered the amount of Rs. 52 appearing in the earlier medical bill to Rs. 152. Obviously Mr. Kureel had submitted this certificate for substantiating his earlier false claim and also to cover up the fraud committed by him.

5. In the entire enquiry neither Dr. A. M. Siddiqi was examined nor any hand writing expert was examined to the

effect that the workman Mr. Kureel had altered the amount to read as 152. The domestic enquiry was consequently set aside by the Tribunal vide order dt. 4-4-85 on record. Dr. A. M. Siddiqi had filed affidavit before AIC (Central) wherein he stated that he had issued a certificate for bill amounting to Rs. 152 and that he had altered the amount of Rs. 52 to 152 when Mr. Kureel came to him for fresh bill of Rs. 100 more during rush hours.

6. The management has filed affidavit of Mr. P. K. Jain the then Accountant in Hotel Clark Awadh Branch in the year 1974 and requested to summon two more witnesses one Dr. A. M. Siddiqi and other Shri P. K. Pal Vigilance Officer (retired) of the bank management and these two witnesses of the management later appeared. There two later witnesses were examined and cross examined and have filed their affidavit evidence. These two witness were summoned by Shri P. K. Jain appeared in response and filed their affidavit evidence on 16-10-85 and cross examined on that very day and Shri P. K. Jain was cross examined on his affidavit on 25-9-85. Shri A. M. Siddiqi also appeared on 19-11-85 in pursuance to the summons and was examined by the management and cross examined by workman, later on the request of the management to treat the witness hostile management was also permitted to cross examine him. After the evidence on behalf of the management workman who had given his affidavit evidence on 31-10-85 was cross examined on 11-12-85 and arguments heard.

7. Shri P. K. Jain in his affidavit has averred that on 22-10-74 he was officiating as branch manager, as branch manager was on leave. He has further averred that while going through the bill for Rs. 152 he observed that something was wrong in the amount of the bill as the figure (1) appears to have added at two places i.e. before the amount of Rs. 40 towards medicine and again before the figure 52 towards total and even the ink of figure (1) differed from other figures. A couple of days later the vigilance officer of the Regional Manager's office was shown that bill. On 6-11-74 he accompanied the vigilance officer Mr. Pal to the clinic of Dr. Asad Mukhtar Siddiqi and after showing the bill of Rs. 152 he was enquired about the suspected interpolation on which the doctor also agreed that figure (1) before figure 40 and 52 has been added by some one else and on the request of Mr. Pal Vigilance Officer of the bank management (retired), the doctor gave certificate in writing stating all those things which writing is ext. 3 on record. The departmental enquiry was held against the workman when the workman submitted another certificate from doctor dated 22-12-74 which appears to be false being contradictory.

8. In cross-examination he admitted having gone to Dr. Siddiqi alongwith Mr. Pal Vigilance Officer of the management bank. He however, stated that it did not come to him meaning thereby to his knowledge that Mr. M. L. Kureel had himself added figure (1) before figure 52. He stated further that as Shri Kureel had presented the bill and was interested party he must have done it. Thus it is his conjecture and surmises only that as Shri Kureel was to be benefited by it he must have done it. The possibility can not be ruled out that he might have got it done by some one else in the absence of direct evidence or evidence in writing i.e. hand writing expert. He proved the doctors certificate Ext. 1 dated 6-11-74 whereby he testify that the original bill he gave was for Rs. 52 only. He further deposed that letter Ext. W-1 was shown to him. He also admitted that another letter of the doctor photo copy of which is ext. W-2 dated 18-4-75 was also shown to him.

9. Vigilance Officer Mr. P. K. Pal has also testified about the going to Dr. Asad Mukhtar alongwith Mr. P. K. Jain management witness no. 1 and that he gave the certificate Ext. M-3 testifying that he had not changed the original bill of Rs. 52 to Rs. 152. In cross examination he stated that he obtained the certificate from the doctor which was voluntarily given and is Ext. M-3 on record. He further stated that he never stated that figure (1) before figure 40 or 52 was added by workman Mr. Kureel. That was simply his inference. Since he presented the forged bill and since Dr. denied having added that.

10. The third management witness was Dr. A. M. Siddiqi and was examined as MW-3. In his examination in chief

he stated that he has maintained a register of visiting patients and he has brought the register of patients for the year 1974 and 1975. He admits that in 1974 only three to six patients used to visit daily and in this register entries regarding their age are written. Looking to the patients face and physical appearance. He has deposed that workman was his patient in the year 1974 and his name appears in his register. He states that when the patients comes to him for the first time he writes his full name in the register and thereafter only his serial number is noted. The treatment of the workman started in September, 1974 and his name appeared at serial no. 2483. He admits on the next day another patient namely Pappu whose age is written as 10 years. He further admits that all subsequent dates serial no. 2483 is entered at the last of all patients. He further admits that in May 2nd 1974 in his register the name of M. L. Kureel appears against serial no. 2076 and he further admits that no. 2076 is also allotted to one Shri Ahmad Ali and this number 2076 is repeated 17 times and in all the cases number appears at the end of the patients appearing on that day. He admits having issued certificate Ext. M-1 and further admits that initially it was issued for Rs. 52 and figure (1) added later and in that certificate also the treatment was entered. He further admits having issued certificate Ext. M-3 by way of clarification. He testifies that the contents of ext. M-3 are correct and the same was not written under any pressure and that on that day in all he attended three patients.

11. In cross examination by workman representative he admitted that figure (1) before 40 and 52 in Ext. 1 have been added by him. He added the figure (1) as he had received 100 earlier in connection with the treatment in May 1974. He further admitted that when he wrote clarification certificate Ext. M-3 dt. 18-4-75 was also given by him and that the recital therein was correct.

12. The management representative moved application that the witness has made contradictory statements while admitting the averments of Ext. M-3 on one hand and stating later that he himself changed figure of Rs. 52 to 152, the witness may be treated hostile and the management permitted to cross examine the witness. Permission to cross examine the witness was given in view of the assertion made.

13. In cross examination by the management, the witness admitted that in the register of patients he entered fees received from the patients and that is was a fact that for the treatment in May 74 of the workman he received Rs. 100 by workman which he entered in his register. He further stated that after issuing the bill of Rs. 52, the workman wanted that bill for May 74 hence he added round figure of Rs. 100 and made these change two or three days after 22-10-74. He denied the suggestion of the management that he gave certificate date, 6-11-74 Ext. M-3 according to records but later the name of the workman entered in the end in the Month May 74 at the instance of the workman who was facing disciplinary proceeding.

14. On the other hand the workman has given his affidavit evidence by way of affidavit and testified in cross examination that for treatment during the period 2-5-74 to 28-5-74 he paid Rs. 103 and for treatment from 17-9-74 till October 74 he paid Rs. 52. He admits that he did not know under rules he was to submit treatment bill within six months of incurring expenditure. He denied the management's suggestion that he told the doctor on two occasion that his service was on stay so he should help him and come to his rescue.

15. Shri P.K. Jain has stated in his affidavit that claim for reimbursement was made by the workman on 23rd October 74. He was not cross examined on the point that reimbursement bill was not submitted on 23-10-74 rather he has asserted in cross examination that he ratified it on 23-10-74. If the bill issued by Dr. Siddiqi on 2-10-74 Ext. M-1 was submitted for reimbursement in the bank on 23rd October, 1974. The statement by Dr. Asad Mukhtar Siddiqi that he changed the amount of Rs. 52 to Rs. 152 by adding Rs. 100 to read as 152 two or three days after 22-10-74 becomes false. A perusal of the patients register filed by the doctor shows that the name of the workman Shri M. L. Kureel appeared in his register for the first time in the year 1974 on 17th May and he was given no. 2483. It is strange that this no. 2483 was given next day i.e. on 18-9-74 to one Pappu. On subsequent dates this

number have been repeated but curiously enough in the end of all patients.

16. As regards entries of May 74 the name of the workman Shri M. L. Kureel appears for the first time on 2-5-74 and serial no. 2076 was given to him. This number has been repeated in all 17 times upto 25th May, 74 totalling the amount received from the patient of serial No. 2076, the amount comes much less than Rs. 100. Further it is strange that on all those days the number of workman has been added after new patients arrived that day. It has been argued by the representative for the management that simply to help the workman the doctor has made false entries by simply putting number at the end of patients appearing that day and had as a matter of fact issued a false certificate even initially for Rs. 52 as M. L. Kureel was neither in his treatment and addition was made in the patient's register on 15-9-84 repeating the number 2483 which really belong to one Pappu who had come to him on 17-9-74. I fully agree with the contention of the learned counsel for the management that the entries of the patient register are not genuine and has been added subsequently in blank places in the patient's register in order to substantiate entry made in Ext. M-1 and Ext. W-1. Further the fact that the amount received and noted by the doctor also does not tally to Rs. 152. The doctor has not been able to reconcile Ext. M-1 that subsequent letter Ext. M-3 given by him on 6-11-74. Now the doctor changes his statement vide his deposition in court affidavit and Ext. W-1 and W-2 that the interpolation made in Ext. M-1 was in his hand. In view of the fact that this certificate Ext. M-1 was submitted in the bank on 23-10-74 and that he had really not received Rs. 152 as per patients register wherein he enters the bill/total amount received by him towards charges of medicine and injection not totalling Rs. 152, I am not inclined to believe the testimony of the doctor. The circumstances discussed above in the light of letter given by the doctor Ext. M-3, Ext. W-1 and W-2 will suggest one and only one inference that he ought to help the workman Shri M. L. Kureel else he may not be penalised or his services may not be terminated. It was stated by the management witnesses Shri P. K. Pai and P. K. Jain that it is their inference that workman must have done it as the same was to his advantage and he presented the same. The charge against the workman was not that in Ext. M-1 presented by him to the bank the interpolation was made to his knowledge which was wrong. The charge was that the workman had altered the amount of Rs. 52 appearing in the earlier medical bill to Rs. 152. Thus there is no evidence that the workman had altered the amount of Rs. 152 by adding (1) before figure 52. The subsequent charge is regarding submission of another certificate by doctor dated 22-12-74 to cover up his earlier bill of 22nd October, 1974. The subsequent charge is to the effect thus:

Obviously Mr. Kureel had submitted this certificate for substantiating his earlier false claim and also to cover up the fraud committed by him.

17. From the register of Dr. A. M. Siddiqi it is clear that the workman had known that subsequent certificate Ext. W-1 was with a view to support his earlier claim of 22-10-74 which was false and was simple to cover up that false certificate. Thus from all it is clear that the workman had submitted false certificate to his knowledge. The charge on this count stands substantiated.

18. The representative for the workman has argued that the dismissal had not been made by competent authority as the workman was appointed by DGM and charges framed by AGM (Assistant General Manager) who is lower in rank. He has further argued that the enquiry officer who has given punishment is not a officer of the equal rank to the punishing authority and he could not be dismissed. Under bipartite settlement para 19.14, it is given as under :

The Chief Executive Officer or the principal officer in India, of a bank or an alternate officer at the Head Office or principal office appointed by him for the purpose, shall decide which officer(s) shall be empowered to hold enquiry and take disciplinary action in the case of each office or establishment.

In this connection the management has filed staff circular no. 1555 dated 15-2-75 showing that the Managing Director

of the Bank Management appointed Shri R. S. Bist as Enquiry/Disciplinary Officer for the branches of the management. Thus the enquiry was done by a competent officer who was also disciplinary authority. However he simply suggested the punishment of dismissal in his enquiry report which was later confirmed by the Head Office DGM vide letter dt. 310th March, 1977 in which it is subsequently mentioned as follows :

I, therefore, hereby confirm the order of dismissal passed by Shri R. S. Bist enquiry officer on 24th September, 1976.

19. Considering all the facts of the case, punishment of dismissal for petty gain of Rs. 100 or more, taking away services of some one would be very grave punishment. In these circumstances and in view of the provisions of section 11(A) of the I.D. Act I consider that a punishment of fine by way of deducting his pay to 50 per cent from the date of dismissal to the date of this order would meet the ends of justice.

20. I, therefore, hold that the action of the management of Union Bank of India in dismissing Shri M. L. Kureel an Ex Cashier/Godown Keeper at their Hotel Clark's Awadh Branch, Lucknow, w.e.f. 17th May, 1977 is excessive. The result that the workman is reinstated in service with 50 per cent back wages i.e. (50 per cent salary deducted from the date of dismissal till the date of award by way of punishment).

21. I, therefore, give my award accordingly.

22. Let requisite number of copies of this award be sent to the Government for publication.

Dated : 24th December, 1985

New Delhi, the 23rd January, 1986

S.O. 449.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Industrial Tribunal, Hyderabad, as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Gujarat Mineral Development Corporation Limited Ahmedabad and their workmen.

BEFORE SHRI G. S. BAROT, PRESIDING OFFICER,  
INDUSTRIAL TRIBUNAL (CENTRAL) AT AHMEDABAD

Reference (ITC) No. 37 of 1984

Adjudication

BETWEEN

Gujarat Mineral Development Corporation Limited,  
Ahmedabad.

AND

The workmen employed under it.

In the matter of termination of Shri J.A. Shah, Compounder-cum-Dresser at Fluorspar Project, Kadipani.

## AWARD

This industrial dispute between Gujarat Mineral Development Corporation Limited, Ahmedabad and the workmen employed under it has been referred to me for adjudication as a Presiding Officer under Section 10 of the Industrial Disputes Act, 1947, by the Under Secretary to Government of India, Ministry of Labour and Rehabilitation Department's No. L-29012/16/84-D. III(B) dated 28th August, 1984.

2. The dispute relates to a single demand which is as under :—

“Whether the action of the management of Gujarat Mineral Development Corporation Limited, in terminating the services of Shri J. A. Shah, Compounder-cum-Dresser at their Fluorspar Project, Kandipani with effect from 12-7-83 is justified? If not, to what relief is the workman concerned entitled?”,

3. Before this reference can be heard and finally disposed of the parties have come to terms and submitted the terms of settlement vide Ex. 3 Shri J.A. Shah, the workman concerned is present alongwith Shri G.P. Bhatt, Joint Secretary of the G.M.D.C. employees union and they have agreed to the settlement. The terms of settlement appears to me fair and reasonable under the circumstances of the case, I, therefore, make an Award in terms of settlement Ex. 3 which is annexed hereto as Annexure “A”. No order as to costs.

G. S. BAROT, Presiding Officer
